Chills and Fever.

E DIVAL a Planter at Bayon Sara, La, saya:
My plantation is in a malarial district. For
several years I could not make half a crop on
account of hillous diseases and chills. I was
nearly discouraged when I began the use of
TUIT'S FILLS. The result was marvelous;
my laborers soon became hearty and robust,
and I have had no further trouble.

They relieve the engarged Liver, cleanse the Blood from poisonous humors, and cause the bowels to act naturally, without which no one can feel well.

Try this remedy fairly, and you will gain a healthy Digestion. Vigorous Body, Fure Blood, Strong Nerves, and a Sound Liver. Frice, 25 Cents. Office, 35 Marray St., N. Y.

Special Agent, LAVANSVILLE, PA.

amble and resolutions:

Dr. Geo. G. Shively & Co.,

Secondary Particles and Delevative Control of the Commission of the Commis

SPRECH OF COL. JOHN R. EDIE.

Brockie, near York, Pa. here in 1838, there were five gentles spective of party, were filled with on the motion of Samuel Gaither, men practicing members of this bar, words of eloquent tribute to the ond the motion to adopt the resoluby a fitting end. Esq., who is the oldest member of all of whom have since made their memory of the dead man. the bar now living in Somerset coun- mark upon the history of their coun- Why was it that for days the ty, Wm. J. Baer, the President Judge of this Judicial District, was selected as President of the meeting, selected as President of the meeting, and a successor of him whose memfive by the President, who should attained higher honors than any of women? Why was York in mourn- In these days the press takes the rising and coming generations. It fourth effort was not so successful as on the afternoon of Monday the 29th inst., whereupon a committee of five was appointed with Isaac o Hugus, Esq., as chairman. In presenting the report of the Committee senting the report of the Law. He studied it as a science, in times of great public peril; not repeat in glowing speech and fervid the law. He studied it as a science, in times of great public peril; not repeat in glowing speech and fervid the law. He studied it as a science, in times of great public peril; not repeat in glowing speech and fervid the law. He studied it as a science, in times of great public peril; not repeat in glowing speech and fervid the law. He studied it as a science, in times of great public peril; not repeat in glowing speech and fervid the law. He studied it as a science, in times of great public peril; and at the same time. Monday afternoon, Col. Hugus said: more so than any of them, and as alone because he was a great lawyer, oratory that of which the press is a stronger argument for christi-

learned with unfeigned sorrow of which had a somewhat partisan however, that here in the county every sphere of action did his part seek to destroy. Not so, however, the sudden death of that eminent aspect attached to it, in which there where he was born, in the town well, and attained that measure of with our departed friend. Following much water or juice that a slight lawyer, jurist and statesman, Jeremiah S. Black, and that we tender rest in such a way that it would where he practiced so many years as few, our speeches and resolutions for truth in all ages, and impelled to full off in drops, you may be sure mish S. Black, and that we tender to his bereaved widow and children our deepest sympathy.

where he practiced so many years as few, our speeches and resolutions by an innate longing of the soul for an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for truth in an ages, and imperiod by an innate longing of the soul for an innate l and friends of Judge Black will his was intended the man should be ar- er action be taken, and fitting words honor.

and friends of Judge Black will his death be deplored and mourned, but by thousands in all parts of our wide-extended country his removal from amongst us will be looked uponas an irreparable loss. He will be missed not only in the circles of the learned loss. He will be missed not and wealthy, but in the circles of the learned and mourned, but the man should be arrection be taken, and fitting words spoken, to show to the world our appreciation of his splendid talents, his great learning, his profound wisdom and manly worth.

The following are the requisite spoken, to show to the world our appreciation of his splendid talents, his great learning, his profound wisdom and manly worth.

Of his great reputation as a lawyer and jurist it is not necessary that anything should be said bere, and fitting words spoken, to show to the world our appreciation of his splendid talents, his great learning, his profound wisdom and manly worth.

Of his great reputation as a lawyer and jurist it is not necessary that anything should be said bere, and fitting words spoken, to show to the world our appreciation of his splendid talents, his great learning, his profound wisdom and manly worth.

Of his great reputation as a lawyer and jurist it is not necessary that anything should be said bere, and all that has been so well said, and the first in drops and fall off, even with moderate pressure. Rub the two moderate pressure. and wealthy, but in the lowly haunts political enemy. He said "you must for it is known of all men. His fame and all that these resolutions mean, this truth? Truth must be endur-

tice of Pennsylvania. I remember Black well, will not be struck with in by State lines, but is co-exten- world was."
