Department 18.—Antiquities, &c.

In this department there was quite a display of very old China ware and other valuable relics. We give the reports on the different articles as nearly as possible.

Sarah B. Brallier, 2 quilts, one 60 and the other 45 years old, unexception ally well preserved, and fine workmanship. A large lot of China ware by the same lady, 45 years old, deserving of a premium for the superior quality and age of her ware.

C. C. Musselman, a rebel hat from the battlefield of Antietam. The hat is worthy a better cause. Specimen of penmanship by C. C. Museelman, 31 years old, of more than ordinary merit for the day in which it was written.

Jacob Ash, a pair of shoes 30 y's. old and two head dresses of about the same age, remarkably well preserved and shows the unique style of that day.

Mrs. John Holderbaum, one quilt 70 years old and a jar of fruit 17 years old, both remarkably well preserved.

Annie Giddings, cup and saucer 100 years old, resembles modern ware. History repeats itself; also a silver sugar tongue 150 years old and a candlestick 100 years old.

Leroy Forquer, a church record of the Baptist church in Turkeyfoot township, established in 1775, in remarkable good preservation and quite a cutiosity. Mr. Forquer also had on exhibition a hatchet from the Ute reservation, an Indian pipe, a stuffed Rocky mountain Wolvereene, a black bear, a cinnamon bear and a cayote skin, 3 sets of very large elk horns, a Rocky mountain sheep skin, a white weasel and several other articles. The relics exhibited by Mr. Forquer are worthy of more than ordinary notice and the department which his exhibits cover ought to encourage rivalry.

Mrs. C. Lohman, a lace shawl 32 years old and a brass coffee pot 35 years old.

Florence Snyder, candle stick 100 years old.

Articles marked with an * are entitled to a Deploma in addition to the premium, by calling on or addressing the Secretary, Wm. Schrock.

The premiums will be paid by the Treasurer, H. F. Schell.

Department 17.—Amusements.

There were three contestants for the premium of a third mile foot race. Parker Trent, J. H. Horner and Harry Gilbert. Parker Trent making the run in 1¼ minutes, which was 6 seconds ahead of the next best, Harry Gilbert.

There were also three contestants for the premium of a 200 yard foot race, in which Parker Trent came out first best, and two contestants for the premium of a 100 yard foot race. Parker Trent carrying off first prize. There were two bag races in which Harry Woolley and William Troup respectively won.

In the wheelbarrow race, Samuel Pile won the laurels.

To Repair Damages.

Dear lady, there is probably no use telling you that fashionable life in a great city is a rough one on your beauty. Late hours, loss of sleep and mental excitement will leave you by and by shorn of those beautiful tresses which drew lovers around you in other years. Artificial substitutes can never pass for those rich and glossy locks. Parker's Hair Balsam will stop your hair from falling ont, restore its natural color and softness, and prove cleansing and beneficial to the scalp.

Horrible Murder.

CHARLOTTE, N. C., October 21.—Mrs. Wm. Logan, aged 57 years, was murdered on Friday night by a negro, who covered her body with cotton and set fire to it. Her husband, aged 77 years, was choked and left for dead, after which the negro robbed the house and escaped. The tragedy occurred twelve miles south of Shelby, and about two miles from Whitakers. S. C. Logan and his wife were at their home on Friday evening, when an unknown negro called and asked Mr. Logan to change $5 for him, which the latter declined to do.

The Breakfast Bell.

The breakfast bell salutes my ear:
Its cheerful tones ring loud and clear.
For me it used to sound in vain,
So great was my dyspeptic pain.
Pain Killer came to my relief
And banished my dyspeptic grief.
Pain Killer made me strong and well
And now I'm glad to hear the breakfast bell.

More than 50,000 people crossed the Brooklyn bridge on Sunday, 18,000 of who rode in the cars, which are now running regularly.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including **Constipation, Indigestion, Dyspepsia, Headache, Dysentery,** and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:

"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers.

W. L. PAGE, of W. L. Page & Bro."
Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable.

J. T. HAYES."
Mexia, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from *Atlanta, Ga.*, says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.

How Watch Cases are Made.

The many great improvements introduced in the manufacture of the Jas. Boss' Gold Watch Case, have led to similar improvements in the making of silver cases.

Under the old methods, each part of a silver case was made of several pieces of metal soldered together, requiring a great amount of cutting and soldering, which softened the metal and gave it the pliability of lead rather than the elasticity of silver.

Under the improved methods, each part of the Keystone Silver Watch Case is made of one solid piece of metal hammered into shape. The advantages are readily apparent, for every one knows that hammering hardens the metal while soldering softens it.

To test the superiority of the Keystone Silver Watch Case, take one of 3 oz. weight, press it squarely in the center when closed, and it will not give, while a case of same weight of any other make will give enough to break the crystal. The Keystone Silver Watch Case is made only with silver cap and gold joints.

Send 2 cent stamp to Keystone Watch Case Factories, Philadelphia, Pa., for handsome Illustrated Pamphlet showing how James Boss' and Keystone Watch Cases are made.

BAD, BAD, BAD BLOOD.

Some blood is bad because it is poor and weak. Some is bad because it contains impurities. Some men have such bad blood that the wonder is it does not poison the mosquitoes who come to bite them.

The rich red color of good blood is owing to the iron which is present. Blood which has not enough iron in it is always unsatisfactory. The person in whose veins it circulates cannot be said to enjoy good health. The efforts of expert chemists to produce a preparation of iron which can be assimilated with the blood have resulted in that perfect preparation which is an important part of Brown's Iron Bitters. It is the only one which freely enters into the blood. It is the only one which accomplishes the desired good.

Weak, poor, thin blood may be made rich and strong, and impure blood may be purified by the use of that Great Iron Medicine, *Brown's Iron Bitters.*
