and all serofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. Aver's Sarsaparilla has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases. A Recent Cure of Scrofulous Sores.

Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swellen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AVER'S SARSAPARILLA,

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge. The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June

" Having suffered severely for some with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYEC'S SABSAFA-HILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatie Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality. It is incomparably the cheapest blood medi-

(Continued from last week.) How Watch Cases are Made.

This process of manufacture was invented by James Boss, who started in business in 1854, and the methods and tools used in making these watch cases are covered by patents. This is the only watch case made under this process. For many years the introduction of these goods was slow, owing to popular prejudice against "plated" goods, MORTGAGES but gradually the public learned that the James Boss' Gold Watch Case was not a cheap gold-washed or electro-plated article, but was made of genuine gold plates of Photograph and Autograph Albums, standard quality and thickness. Conscientious adherence to the determination to make the best watch case ever put on the market, and the adoption of every improvement We want your trade, suggested, has made the James Book Gold
