Individualism in Politics.

Mr. Herbert Spencer, in declining

to become a candidate for the House of Commons, has called attention to this continent and Europe to four an' ef ye think ther measles air "Ah, you thought I did not know what may be perhaps a defect in our days. His idea is to adapt to ecean ketchin', I'll leave ther baby you. I should penetrate any disguise you were. Besides, you have lieves that that the person chosen to forgotten to remove a badge of recognition."

In a bound penetrate any disconstitution. The design of the person chosen to lieves that that the person chosen to longer scale, the idea which models the North river steamers and the ferry-boats of the East river. It is "I've never seed 'em ketch any-She followed with her eyes his downward glance, and saw that it rested on her hand, ungloved, as in lower and on her hand, ungloved, as in lower and on her hand, ungloved, as in lower she course is approximately instead of the East river. It is the ferry-boats of the East river. It is the never seed that of having virtually two hulls, thing."

Again the head was drawn back, the centre to be deep, long, narrow. It is a lower and an upper, the lower and applicable from the outside. which seemed to him best, irrespective of whether this course is approved by those whom he represents or not. In one way Mr. Spencer is fine right. The tendency of our times is to limit the freedom of action of the individual. A man is elected not to do what he considers a part. To the others we are masks: to ourselves we are ourselves."

"Ah, madame," he whispered, "let us rather say to the world we are ourselves, to each other we are a mask. Can men, think you, look coldly on such beauty as you pos-A wife's Charm.

A pout upon the red lips of Gerald Sinclair's young wife—unmistakably a peut—for though a wife of almost two years, her fond, indugent husband had for the first time said nay to an openly expressed wish.

The fancy ball of the season, a grand and fashionable assemblage,

Lull, under the firm name of the Hemerset Dairy Company of Bomerset, Pa., was dissolved by mutual consent on the lat of April, 1884, GEORGE H. LOVE, API DISPATCH.

He seemed so strange to me every way-In manner, and ways, and size, From the boy I knew but vesterday-I could hardly believe my eyes! To bear his name called over there. My memory filled with glee. And leaped to picture him young and And fresh as he used to be.

But, looking, as only glad eyes can, For the boy I knew of yore, AND EASTERN AND WESTERN WORK I smiled on a portly little man I had never seen before! Grave as a judge, in courtliness-Professor-like and bland-A little fat doctor, and nothing less, With his hat in his kimboed hand.

But how we talked old times, and chaffed

As the little fat doctor does!"

v its graceful outlines.

day he started on his journey.

-James Whitcomb Riley.

Each other, with "Minnie," and "Jim !" And how the little fat doctor laughed-And how I laughed at him ! And it's pleasant," I said, "though I yearn The face of the youth that was, To know no boy could smile on me

SOMERSET, PA.

THE Agents of these well-known Mills are now visiting their customers with a splendid as-

which they wish to trade for Wool. These Goods are made in our own Connty, from Pure Stock, on the Latest Improved Machinery, and by first class workmen. We want FIFTY THOUSAND POUNDS OF WOOL this year, and will make it nay you to deal with us.
