PATRIOT ST., SOMERSET, PA.

To Farmers or Pennsylvania; Gentleman: -- For over twenty-eight years we have manufactured Raw-Bone Phos-phate, and our brands have become housebold words in nearly every section of the country. In many communities the demand for them has increased, while in others the sales have declined, on account of the preference for lower-priced goods. Six years ago, finding that the demand for goods of lower cost had become almost universal, and having peculiar advantages of raw materials and manufacturing facilities, we determined to meet this demand, and introduced a twenty-five dollar Phosphate, made by a new process exclusively our own. The quickness with which this Phosphate sprang into use among intelligent farmers, will be shown by the following statement:

Of the \$25 Phosphate there were sold During 1879, 1.287 Tons.

> SELINSGROVE, April 24.-Two burglars entered the store last night of Heffman & Bro., Pert Treverten, Snyder County. They climbed in through a window and tied the door which leads from the storeroom with a rope. They drilled and blew open a safe. This aroused Jacob Hoffman, one of the firm, and a clerk. The former succeeded in opening the door far enough to permit him to reach the rope with a knife and he cut it. The robbers leaped out from a window, and the clerk fired two shots upon them from an upper window. One of the
