Ridgeway Patent Refrigerator-The Best. It solves the difficult problem a Perfect Refrigeration. It dries and purifies itself while in use by an Automatic Circulation of All 11 dispenses with metal liming, conjectionable because of labor necessary to keep it clean, and purulized a wood lining requiring rally no cleaning at all as long as necessary to keep it clean, and purulized a wood lining requiring rally no cleaning at all as long as necessary to keep in this Butter, Meats, Fish, Fruit, etc., can be kept in this Refrigerator at same time without imparting the flavor of either to the others. It is much more economical in consumption of ice than any other Refrigerator. Insulated with deal air spaces made in best manner, with paper walls. Norisk in purchasing. Satisfaction guaranteed, or money refunded. AP Send for Illustrated Catalogue.

SULT OUT.
 Nut to urt.
 It is toward the end of an after non in Decoment, and Willed in after is may be properly in the source is the

For you and for me, Hanging on the boughs Of that Christmas tree !"

It is true that he is not happy at the big city day school which he has just left. How should he be? He is dull and crabbed and uncouth, and knows too well he is a general object of dislike; no one there cares to associate with him, and he makes to associate with him, and he makes to associate with him, and he makes they are different from him and hat the that the opposition to Blaine en-torthat's what I shall have to do if the that's what I shall have to do if the that's what I shall have to do if the dow if they don't get out of it in good time they will find it a

perhaps, the most. And though all his evenings are spent at home there is little rest for him even there; for the work for the "Will you move on before I make" with a nasal and metallic snuffle in the other, with growing excitement. "That's what I shall have to do if you don't look out," is the retort. "Will you move on before I make" For you and for me, Home and a crown, For you and for me, Home and a crown, For you and for me, his work for the State of the state o

him even there; for the work for the next day must be prepared, and he sits over it till late, sometimes with desperate efforts to master the diffi-culties, but more often staring at the page before him with eyes that are just come back from school, and I can't get in." "Will you move on before 1 make" "Will you move on before 1 make" "But, I say," protests Rolleston, "I'm not joking; I give you my word for the culties, but more often staring at the page before him with eyes that are intervent willfully vacant. "The words have reminded him" "You'll laugh when I tell you it's a NEW GOODS

ambroideries, Lates, Millinery, White Goods, Hand kerchiefs, Drais Trimmings, Hosiery, Gloves,
