13,470,571 New Assurance written in 1883, \$81,129,756. Paid to policy holders during the last 24 years, \$73,877,699.

The Society has written, during the past twen

ty years, an aggregate amount of new assurance larger than has been written by any other comany in the world. The surplus fund of the Society, on a four per sent, valuation, is larger than that of ony other Iffe insurance company in the world. THE EQUITABLE LIFE ASSURANCE SOCIETY IS sues, a plain and simple contract of assurance, free from burdensome and technical conditions, and INDISPUTABLE after three years. All pollcies, as soon as they become indisputable, are payable IMMEDIATELY upon satisfactory proofs of death, and a legal release, without the iciny usual with other companies. By this ble policy is not only saved from annoying delays and expenses, but receives pecuniary relief as quickly as if the amount of the assurance had
