

We feel entirely confident that Mr. Blaine is elected. We believe this, because both the Republican National Committee, and the Republican State Committee of New York, say that he has a majority of the votes cast in the State of New York, and they certainly have as good facilities for gathering the correct vote, as have any other set of gentlemen in that State.

For the first time in many years Westmoreland county goes Republican. Blaine and Logan have a majority of 6. The Republicans gain a Senator, three members of the Legislature and the entire county ticket.

Of course the solid south has gone for Cleveland, but the majorities are mere guesses, made on the night of the election. With their meagre facilities for gathering news, the true returns from most of these States will not be in for a week yet.

BLAINE DEMANDS A "FAIR AND HONEST COUNT." That is all the Republicans want, and they will see to it that it is made.

STAND BY YOUR GUNS BOYS! but don't shoot off your mouth until Chairman Jones gives the order to "let her rip."

BLAINE DEMANDS A "FAIR AND HONEST COUNT." That is all the Republicans want, and they will see to it that it is made.

DUMBAULD FOR COMMISSIONER, runs the biggest vote (4573) ever given a candidate in this county. He is entitled to the cake.

ITS NIP AND TUCK, but we think that amid the smoke of battle we discern a plumed Knight leading the nation's column.

THE NATIONAL DEBT was decreased during October \$8,307,192.71. The total decrease since the 1st of July last is \$32,890,373.24.

THE OFFICIAL VOTE of Pennsylvania has not yet been fully received. The present indications are that the Republican majority will reach nearly 80,000.

READ THE PRESIDENT'S Thanksgiving proclamation, and be exceedingly glad that it's turkey and not crow we will dine off on that day of thanks.

IF THE INDEPENDENTS of Connecticut, New Jersey and New York had stood by Blaine and Logan, there would now be no doubt of their election.

VIRGINIA, West Virginia and Indiana have gone for Cleveland by decided majorities. The Republicans who counted on them were slightly previous.

THE MAGNIFICENT Republican majority in this State settles again, and once for all, that her workmen understand the benefits derived from a protective tariff.

THE REPUBLICANS of Cambria county elected one member of the Legislature, and their candidate for County Treasurer, and with Blair's assistance re-elected Boggs, Senator.

BEFFORD COUNTY gives Blaine and Logan a majority of 119, and the Republicans elect two members of the Legislature, the Sheriff, Treasurer, two Commissioners and two Auditors.

FAYETTE COUNTY shivered in the wind, and notwithstanding the bitter effort of their lives was made by the Democracy, the Republicans captured one member of the Legislature.

KEEP YOUR TEMPER BOYS! Don't cry over spilled milk. Hang up your bruised arms for monuments. It's hard to go hungry, but after a fast of twenty four years you ought to be used to it.

AS THE OFFICIAL returns from this State keep piling up, we begin to wonder if there really is any Democratic party in the Commonwealth worth speaking of. It would require an electric light, and a hand basket to discover and gather up the fragments.

THE RESULT of the election hinges on the State of New York, and the result there depends upon a fair count of the votes cast. It is simply a question of addition. Let the people possess their souls in patience, and await their official announcement which will follow the count.

THE UP THE SLACK of your jaw, and you will be mighty glad you did so, when the official vote is announced, and the result is certain. Don't make a fool of yourself by prancing around and unblinking your tongue over a matter you don't know anything about, and can't decide.

JUDGING from the unofficial returns received up to this date, the Democratic majority of seventy-six in the last Congress will be reduced more than one-half and probably will not exceed twenty-six.

FOR THE FIRST time in many years Westmoreland county goes Republican. Blaine and Logan have a majority of 6. The Republicans gain a Senator, three members of the Legislature and the entire county ticket.

THE DEMOCRATIC papers appear to be hankering after a row over the election. If they persist in pushing one upon the country, they will get as all-fired a licking as they did in the last mass, they kicked up with Uncle Sam.

THE DEMOCRATIC bluster about Cleveland, being elected, accompanied by the threat that he shall be inaugurated by force if necessary is mere cowardly braggadocio, begotten of an intention to cheat and steal if possible.

ONE Colonel Moss, a typical Kentucky bulldozer, telegraphs that Cleveland is elected and that he has 1,000 armed men to see that he is inaugurated. Moss had better put his head to soak, or mix a little water with his whiskey.

OUR STATE Legislature has been turned topsy-turvy, and the Democracy stood on their heads. Look at the figures.

not the slightest fear of any such result.

There is a set of miserable tricksters in the country who are attempting to incite an uprising of the baser elements of society, by proclaiming in advance of the count, that Cleveland is elected, and that he shall be inaugurated, by force if necessary.

The men who talk thus are fools, or cowards, or both. The blusterer is the fellow who invariably runs away when the point of danger is reached.

The vote of the State of New York, like that of the State of Pennsylvania, will be canvassed in a few days, and the result announced, and the people will see to it, that whatever that result may be, it shall be respected and enforced.

WASHINGTON, D. C., November 7.

The President has issued the following proclamation:

The season is nigh when it is the duty of this people to observe the day appointed for that purpose by the President as an especial day for thanksgiving into God.

Now, therefore, in recognition of this hallowed custom, I, Chester A. Arthur, President of the United States, do hereby designate as Thursday the 27th of this present November, and I do recommend that throughout the land, the people ceasing from their accustomed occupations, do then keep a holiday at their several homes and their several places of worship and with heart and voice pay reverent acknowledgment to the Giver of all Good for the countless blessings wherewith He has visited this Nation.

St. Louis Bourbons Lose Their Head.

St. Louis, November 7.—At 1 o'clock to-day a procession of 600 members of the Merchants Exchange was formed and the Republican office serenaded. Cheers were given for the Republican for Cleveland, for Beecher and John Kelley. They marched to the other newspaper offices and made several speeches.

Blaine Certainly Elected.

Augusta, Me., November 7.—Blaine has sent the following to Mr. Jones, chairman of the republican committee: I am advised that there has been a fraud in connection with the vote of the State of New York. I believe that the honest vote of the State gives a republican plurality and I ask the committee to see that we have a fair and honest count.
