What Happens to Man.

About the age of 36 the lean man usually becomes fatter, and the fat man leaner. Again, between the years 43 and 50, his appetite fails, his complexion fakes, and his tongue is apt to be furred upon the least exertion of body or mind. At this period his muscles become flabby, his joints weak, his spirits droop, and his sleep is imperfect and unrefreshing. After suffering under these complaints a year, or perhaps two.

did not suit me to be hindered from whistling when I pleased. But before this happened we had been to an ino, and there I got hold for the first time of something good—tousted time to be hindered from the least of the pleased. But before this happened we had been to an ino, and there I got hold for the first time of something good—tousted time of something good—tousted time to be hindered from the least of the least state and seeking to abolish slavery in England.

There was a period of silence so deep and painful that Shindig Watkins blistered his heel on the hot stove without realizing it. Brother Gardner finally said:

"Giveadam Jones an' Pickles Smith will take de Professor to de aunty-room an' rub de back ob his neck wid a cold brick. If dat doan' effect a cure, we'll send him to de complexity the sum of the least exercity that the professor without realizing it. Brother Gardner finally said:

"Giveadam Jones an' Pickles Smith will take de Professor to de aunty-room an' rub de back ob his neck wid a cold brick. If dat doan' effect a cure, we'll send him to de About the age of 36 the lean man did not suit me to be hindered from in England. WORTHY Of Confidence.

AYER'S Sarsapariila is a medicine that, the during meanly 40 years, in all parts of the world, has proved its efficacy as the best blood alterative known to medical science.

SARSAPARILLA (extracted from SARSAPARILLA the root of the genuine Honduras Sursuparilla) is its base, and its powers are enhanced by the extracts of Yellow Dock and Sillingta, the loddies of Potassium and Iron, and other potent ingredients.

IS year blood vitlated by derangements of the directive and assimilatory functions? is it minted by Scrofula? or does it contain the poison of Mercury or Contagious Discuss?

THE leading physicians of the United States, who know the composition of AYBRS SARSAPARILLA, say that nothing cise so good for the purifica-

nothing cise so good for the purifica-tion of the blood is within the range of ONLY by the use of this remedy is it corrupted blood to attain sound health

and prevent transmission of the de-structive taint to posterity.

THOROUGHLY of the system must include not only the removal of cor-ruption from the blood, but its carich-ment and the strengthening or the

BLOOD that is corrupted through discording the case is made pure, and blood weakened through diminution of the red corpuseles is made strong, by AYER'S SARSAPARILLA.

PURIFYING the blood and building up the system require time in serious cases, but benefit will be derived from the use of AYER'S SARSAPARILLA more speedily than from anything else.

MEDICINE for which like effects are should be market, under many names, but the only preparation that has stood but the only preparation that has stood the test of time, and proved worthy of the workers confidence, is
