Remount houses are in demand in Somerset.

Remounts are the popular drink in Somerset.

An improved court house and a new jail is what is needed.

For the present Somerset is a blue ribbon town; how long it will remain so is a question.

The second week of Court convened on 10 o'clock, a. m. Monday. The attendance is not very large.

One of the odder waves of the season struck this section Saturday evening. It will wither.

The last jury out last week returned their verdict to the court at half past ten o'clock Saturday night.

The weather was too cold for the general outside last week. He couldn't get his work in to advantage.

Mr. J. P. Dwyer has resigned George R. Smith's house on Union street and will move into the present work.

The Meyersdale Commercial has quit publishing its famous "recollections" but it is believed no one will read them.

Mr. E. S. Kautner who has been visiting friends and relatives in Illinois for the past three months, returned home Sunday.

South Pennsylvania's industries grow every day. Its products have put too much money in the road to abandon it.

Mr. Jacob S. Pichard disposed of his hotel furniture by public sale at the Central Saturday, and Monday moved into his handsome new home on Union street.

Shortly after the session closed last Tuesday a petition to remove the county seat to Stuyvesant was put in circulation. It did not receive a large number of signatures.

It is said that Colonel Samuel McClelland of Blair county and J. H. Lammock, Esq. of Bedford have announced their intention of entering the contest for the Congressional nomination in this district.

The following is the result of the election on the Meyersdale Commercial's proposition to re-organize the party.

For the Commercial, resolutions 20 pro. Against the Commercial, resolutions 20 pro. A unanimous vote.

Mr. P. Walker has just returned from a visit to New York, he brought with him a large picture painted by the principal of the Metropolitan Museum and Art School which he considers an essential part to the Bible history.

The Somerset overlying house keepers had a big run of custom last week. The action of the hotel keepers in moving their tables and chairs into the boarding house and restaurant room, it is still a windfall business.

One of twenty persons called in the S. C. C. office last week inquiring as to the action of the county in this regard. It is a county in which is published the Meyersdale Commercial with its office of books, silverware and jewelry, and its subscribers. A sad monetary truth.

Mr. A. W. Kupper of this place, in whom the Somerset people have placed their confidence, has just received a letter from President Grant, in which he is complimented on his services to the country.

Paul H. Kupper, Esq., has left the office of the Somerset Commercial, where he has formed a partnership with J. H. Marshall, Esq., one of the leading members of the Westmoreland County Bar. Mr. Kupper will be in charge of the office.

That in this sorrowful event we have lost an honorable member of the community, a true and respected citizen.

That we tender our heartfelt sympathy to his bereaved family, relatives and friends, and point them in their affliction to Him who doeth all things well.

That these resolutions be published in the county papers, and a copy transmitted to the bereaved family.

Respectfully submitted,

L. C. BOYER,

D. O. MCNEIL,

J. D. LEVINE,

Committee.

The Florida Girls' Waltz, by Will L. Thompson, is one of the most beautiful pieces of music for piano or organ ever published.

Any music dealer will mail it to you on receipt of 50 cents.

SOMERSET NORMAL AND PREPARATORY SCHOOL.—The circular for 1885, in which my name is associated with that of Prof. J. A. Berkey and A. C. Eicher, is now ready for distribution.

With Mr. Berkey, who has been teaching music in addition to his duties in our public schools, I have become well acquainted. At the last County Institute he was elected Secretary, and a member of the Permanent Certificate Committee.

By a very generous vote, he was elected teacher. Mr. Berkey will teach for Mr. Eicher, who is well known to him personally.

We are assured that he is capable and successful in his profession, while his letters confirm the opinion of his scholarship.

The idea of having a specialist to teach vocal music and penmanship is a new one, but we mean to make it a right man for the place.

We expect that these lessons, with the normal drill in reading and orthography, will be worth the whole tuition fee.

From information already received, we are glad to hear that the normal, and other friends of the old time make it a point to send a student.

Remember, a large school under competent instruction is a graduate of the State Normal School, an indefatigable worker, and in every respect a first-class teacher.

Mr. Berkey will teach for Mr. Eicher, who is well known to him personally.
