THE SWEET BY AND BY.

By and by! We say it softly, Thinking of a tender hope Stirring always in our bosoms, Where so many longings grope, By and by ! Oh! love shall greet us, In a time that is to come :

And the fears that now defeat us Then shall all be stricken dumb. By and by! The mournful sorrows Clouding o'er the sky to-day Shall begone in glad to-morrow, Shall be banished quite away.

By and by ! We say it gently, Looking on our silent dead And we do not think of earth-life. But of heaven's sweet life instead. By and by ! Oh! say it softly, Thinking not of earth and care,

But the by and by of heaven,
