Five Men Dropped 86 Feet.

Dover, N. H., June 16,-Five workmen-John Roberts, Dennis Haley, Edward Mc Grath, John Robinson, and William Brown engaged in building a chinney for the Cochees Manufacturing Company, were precipitated 86 feet by the falling of the staging on which they were at work. The top of the chimney followed them in their fall. The men struck on the second floor of the factory now in process of building. Robinson and Brown wore taken up inscusible, having received fearful wounds about the head. The other men escaped with a few slight braises.

Viewing King Ludwig's Remains

Mexica, June 16.-The body of King Ladwig was placed in state in the old Chapel of the Residezehloss this morning and the pubelse is merely the expediency of pulliatives. In morning, placed the muzzle close to the morning and admired the statue. It is 8 feet made personal appeals to the leaders of his lie were admitted to view the remains after s o'clock. The people in their first surge in in disorderly confusion. Many were knocked down and trampled upon, and the coffin was soon surrounded by people breathless with excitement overying about with pain. The doors of the palace were finally forced shut and arrangements were made for admitting 200 persons at the end of each quarter of an hour,

> Heavy Rains in Pittsburgh. Persurgan, June 17.—The heaviest minof the season visited this section last night and this morning. In various parts of the city stores were, flooded, and on Mulberry alley twenty families were washed out of ECLENTISTS AS their houses by a gra trench overflowing and filling the dwellings with water. Washouts and landslides are reported on several mil roads, and trains are builty delayed. The rivers are rising rapidly, and from present indications there will be a stage of water sufficient to allow the shipment of six to
