How it Feels to be Scalped. humanity stepped from the passenger train last night, says the Chico, (Cal.) Chronicle, and climbed into a waiting wagon and was driven to the country.

His name was Samuel Neff. He is a
man of about thirty years of age, and his
parents reside in Pine Creek. Young Neff is just home from Arizona, where he has been prospecting in the mines, and act-ing as a scout on the hunt for Indians. Unfortunately for him he found the murderous red devils, and they almost made mince-meat of him. One day while riding through a canyon he was shot through the shoulder and fell from his horse. His sailants, finding that he was not dead, cortored him outrageously. They cut and applied fire to his feet and hands, and ended their brutality by scalping him. He suffered untold agonies, and prayed that death might relieve him. Finally he fell into a faint, and upon wakng he found himself being kindly cared for in a miner's cabin. The miner had picked him up and carried him a long listance on horseback. Neff suffered weeks of excruciating pain and raved with a fever, and as soon as he was able to travel he took the road for his father's Last evening a Chronicle reporter asked

MAKES WORK

Neff how it felt to have his hair lifted. "It is a dreadful sensation," he said. One thinks, as the skin is being torn from the skull, that his feet are coming right up through his body to the top of his head. Oh, it is terrible. It is so painful that you cannot utter a cry, and thousands of stars dance before your eyes. You imagine red hot needles are darting in and out of your flesh, and you clasp your hands so closely that the finger mils cut into the flesh. I would rather be run through a thrashing machine, ground up in a sausage mill, or thrown under a locomotive than to ever undergo mother such an or leal. It makes me shudder to think of the tortures I have gone through with, and I never want to look upon the face of another Indian." "Not many persons survive the operation?" interrupted the reporter. " No; I have only heard of two or three nen besides myself who have lost their

hair by the scalping-knife, and then live to tell of it." "Do you think the hair will ever grow

out again ?" "Oh, no: I shall always have a hald spot up there. The skin was torn off, for space of four inches square, and I am afraid it will never heal entirely. Even if t does heal over, the bare place will always be so painful that I cannot touch it. I keep my head tied up in cotton and sweet oil. You can see my beauty has been entirely marred. These frightful the grave."
