The Democratic State Convention was a And Charley Wolfe made the riffle.

In is very touching to hear the good Prohibitionists so feelingly refer to the death of the Republican party. Hence these tears.

The Democratic State Convention was a Randall Convention, the platform is a Randall imple-jack tariff platform, and the elections of the ticket would be a Randall victory, not over the Republicans, but over the principles, and policy of the Democratic party. Mr. Randall has chosen to set himself up in opposition to the policy of the Democratic party, and no Democrate who believes that the victory of the Democratic party and no Democrate who believes that the victory of the Democratic party and no Democrate who believes that hat policy should be maintained is under abligations to support his ticket. Since the County last week refused to pass resolu- nicket was nominated by office-holders and tions endorsing the work of the State Convention. Another black eye for Black. Randallism in Pennsylvania than now.
