ting out.-Rural Rome.

Why the Scout was Delayed.

The nerve, hardibood, and daring of The Aligntor is not in any way an at If you want to do good God will help you the genuine frontier scout was illustrated tractive animal. On the contrary, it is If you want to do good tool will help you the genuine fromtier scout was inustrated to do good, and if you want to do had the devil will help you. That's enough the ology for anybody.

The genuine fromtier scout was inustrated about as repellent in looks and disposition as any living creature very well can be lows: "Somebody sguns thundered away for a few short minutes, and them came the Indian country for ten or twelve be envised: It can go through life without the fifful rattle of musketry; and before of to be the only churches of God. The years before Custer attached him to his ever needing a dentist, unless it be to eat I could again get into the saddle there old hard shells do it I believe. I don't command, and he here twenty-two sears him; for it never keeps its teeth long arose the ceaseless roar of the terrible know how they are up here, but if they of wounds received from red men. He enough to give them any chance to destorm know how they are up now, but it they of womans received from ter men. He chough to give their any chance to desarch they are down in Georgia, the Lord has turned over the whole they both hated and respected him. In way. When an aligntor's tooth is worn business to a mighty ignorant crowd. one of his mids among the strongholds to out or broken or in need of any kind of mount—' The firing is in front of Devens, Sympathy is a good deal better than the south, Custer sent Reynolds back to repair, it drops out, and, behold! a new go and see if all is in order on the exdignity. I have seen some old preacher Fort Lammie with dispatches. The scout one is ready to take its place. But I treme right." get up in his pulpit and he looks like he preferred to go alone, and the fact that hardly need say that the alligator's teeth He instantly turned and galloped was five miles away, and he has got dig- the country was alive with Indians was are a joy only to itself. was nee mines and second of a promise and second of a promise and second of a promise enough to fill two worlds. Dignity taken by him as a matter of course. He Another peculiarity of the alligator is linear place in rear of Schurz's line, so as is the starch of a shroud. When I die left camp one night soon after dark, its ability to sleep. Like other reptiles, it to change front to the northwest of every and am lying cold and stiff in my coffin, mounted on a swift mule and having a is so cold-blooded that it likes warmth brigade southeast of the point of attack,

Till have as much dignity as anybody, ride before him of sixty-five or seventy and hates cold. It needs water, too, and if the attack extended beyond Devens's but I am never going to be dignified till miles. That was the last seen of him for as the dry season and the cool season right flank; for it was divined at once a week, when he rode into Laramie one come on together in Florida, there is a that the enemy was now west of him. I do die.

Now some sister, I expect, will turn up day and made his apologies for being deshould go into winter quarters. It buries few stragglers that always fly like the her nose at me because I am not digue tames on the way.

Reynolds made only about fifteen miles itself in the mud after the manner of its chaff at the first breeze, but scores of gage on that nose, and he will foreclose it the first night where he had calculated kind and settles down for a long nap. them—rushing into the opening, some some of these days, and get the old gal on making forty. On several occasions Sometimes it happens that grass and with arms and some without, running or he narrowly missed riding into bodies of quick-growing shrubs spring up on the falling before they got behind the cover We have got to learn that money will Indians who seemed to be scouting all back of this torpid animal. As a rule of Ecvens's reserves, and before General help a man to heaven just like it will over the country, and up to midnight he these are all shaken or washed off when, Schurz's waiting masses could deploy or help him to New York. I can get to New had to move very slowly. Just after that with the first warm rains, the alligator charge. The noise and the smoke filled York without a cent, but I will have to hour his mule was bitten by a rattlesnake rouses itself and makes for the water; the air with excitement, and to add to it walk every step, and beg my bread along and the scout turned into a grove af cot-but occasionally, for some reason, the Dieckmann's guns and calssons, with batthe road.
