## TOGETHER.

A STATE WEDGING SONG ; BY M. L. DICKENSON. in the time when our spirits could borrow Or when, through the cloudland of sorrow In blindness we struggled to grope; In sunshine or chill steirny weather

Through blessed and burdonsome years, and, bearing together our crosses, Up wearisome pathways of pain, And sharing tagether our losses.

Have counted them better than gain ; Since loss had no power to harm to While each to the other was near, And pleasure no power to charm us, That brought to the other no cheer.

Hands clusped by two long ago lovers. We have tested it over and over That "two heads are better than one; But the every-day life, in its proving

That one lieurt is better than two. So little it matters that traces Of silver shine out through the hair and little it matters that fa-Take shadows of time or of care ;

While our hearts are still rich in each other We are one, and we cannot grow old, So, backward we look with no murmor

At the thorns in the path we have troil For the present we each have the other, The future is bidden with God. is years may bring sighing and sadness

The billows of trouble may roll. Yet nothing can rob us of gladness While love is the life of the soul.

pense of picking and loading. Guess

Gen. Beaver, and Norman Hall, the Democratic candidate for Congress in the Moreov district, were brought face to face at the great Republican demonstration at Butler recently. The two candidates were introduced with the remark: "We by the hand and asked, with a smile, "Will you hold up this right hand and swear that if you are elected you will not vote for a Free Trader for Speaker?" Mr. candidate of his party. "Ah, then, I am afeaid you are not to be trusted as well as

The incident gave Gen. Beaver the text for a vigorous exposition of the danger in ocrats to Congress, which the General
