THE YOUNG WIDOW.

Silas in inpatient, but not bushful-Free and ener, but not hold : Like an apple, sipe and mollow-Not too young, and not too old Half inviting half repulsing-Now advancing and now shy-There is mischief in her dimple. There is charger in her eye.

She has studied human mature. She is achunded in all her arts She has taken har distonts As the mistress of all louris. She can tell the very moment When to such and school to smile. On a maid is semistimen charming. Best or cellifore and the orbites

OUT OF THE COMMON.

COLORDER D.

And the sunlight dimeed in at the window and turned her hair to shining gold ; touched the crisp gray locks of John Rogers and made a friendly circle of light and warmth about the pair.

"I could not go against mamma's wishes, you know," the young lady said gently, physing with the ring on her test hand " she has had a long talk be. So I told him, Mr. Rogers, it was with me this morning, and though I knew she disapproved of our engagement I mover realized before how her heart was bert agained it."

"And do you not think by patient they had never done before. For, somewaiting-by proving how carnest we are

"No, John. Mother cannot look on it as we'do; she realizes all the disadvanwere all gone-and I missed them so." tages and none of the hopes that we have healthin; and then the young hely glamood down once at her delicate hands expected too much. There is no such fair, John, for me to wait and let all other opportunities glide by, and grow old mather says I did very wrong to break water and while I waited."

Join storted There was so much caution suggested in the words. No doubt him, and I could not bear it." who was but repeating them after her mother, but they fift chillingly on his sum from these young lips.

her, quite still, leaning his arms on the jacket. " I, too, dreamed of love, and I manthepieves. Senator Blackburn, the genial Joe, is a powerful talker. Some years ago, when Mr. Blackburn was a candidate for Congress, there was to be a public hanging in his district with thousands in attendance, and he was among the distinguished guests, and was on the platform with the condemmed and such newspaper men as had survived the climate of Kentucky. The drop was to occur at 12 noon, and ten minutes before that time the Sheriff asked the hangee if he had anything to

"No, I haven't," he answered in a surly tone, for he was bad, Then Mr. Blackburn arose.

"Mr. Sheriff," he said, with all his

snavity and grace, "I ask the gentleman to yield me his unexpire I time, as I have a few remarks to make on a question of great political interest." The sheriff turned to his customer,

Well, may the gentleman speak?" he Absolutely Pure. isked. "Not much," he replied, with a growl; ary kinds, and cannot be sold at "let the performance go on. I'd a d---sight rather be hung than talked to alum or phosphate powders. Sold only in ROVAL BARING POWDER Co., 106 Wall St.,

death." The performance went on, and the fucoughs, colds, asthum, broughtly, and throat, whest and ling diseases. Sold and guaranteed by C. N. Boyd. ure senator corralled the crowd later.

Free Trade.

The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has largely benefitted the consumers, as well as relieving the burden of home manufacturers. Especially is this the case with Groen's August Flower and Bosches's German view Division, Washi Syrup, as the reduction of thirty-six cents per dozen has been added to increase the size of the bottles containing these remedies, thereby giving one-fifth more mediine in the 75 cen size. The August Flow-7 for Dyspepsia and Liver Complaint, and . the German Syrap for Cough and Lung troubles have perhaps, the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in eivilized countries. Sample bottles for 10
