How Indians Paint Their Faces

The indians have, without much dealst. them called real men on account of the universal customs of quanting their farm and lookies, and for this purpose they coed fine clays containing different toxides of iron. Since the establishment of their trading stars they part have them of here to a great extent, but usually have some of a similar character which they have themselves found. Some advantages are claimed in the use of these paints as a protection against the rigors of the elimate, both the ky winds of the north and the torrid summers of the south, but it is also because of their superstitions in regard to it, viz, that it is conducive to good luck, and that its original use was in obedience to the direct command of God. In applying it, an Indian puts a The only casualty for a time was a little ochre and grease in the palm of the flesh wound received by one of the sher- hand, and then the paims are subbed tothe besieged party, finding things grou- touches are put on afterwards. is killed and his gang dismembered forever. The news was brought by a Lexington minister and others who came through Morehead Wednesday on the Chesapeake and Ohio train from Norfolk Va., about 9 s. x. Wednesday. When this train was within a few miles of Morehead it was flagged by some citizens and when it came to a stop they informed to take a hand. the conductor that a bloody battle was going on in Morehead between a sheriff's posse and the Tolliver gang, and that it would not be safe for the train to proceed until hostilities ceased. The passengers and train men were all very much fright. ened, and at their solicitations the conductor ran the train to Martin's switch. two miles and a half east of Morehead There they remained until nearly 12 o'clock when they were notified that the not on a single ticket. He made an awfighting was over and that the train ful howl and declared he voted at least might proceed through the town with eventeen times himself. Some of the safety. The train stopped for some time at Morehead, and there the passengers
