IT WILL CORRECT

SOMERSET, PA., WEDNESDAY, AUGUST 24, 1887.

There was no lack of talk and gossip in the neighborhood when Michael Harewood left his brother's house and set up housekeeping for himself in a little unoccupied cabin just on the verge of the woods, with the Hale children as pro-

toges and companions. Michael Harewood was an artist by profession-one of those erratic, irregular geniuses who seldom make much general than was Simon Jones. money, yet possess natures of genuine gold. He paid little attention to the buzz of the neighbors, the sar asms of his sister-in-law, and the criticisms of the world in general, but painted serenely on, dis-

The Odessa correspondent of the Levant Herald reports a Siberian incident narrated by a civil engineer just neturned from Central Asia, where he had spent the list six years:

The meriology of his residence in these

renous provinces was broken by an occasional hunting expedition into Siberia. On one of these trapping expolitions, which included a younger member of one of the Grand David families, the party were one evening belated in a pine forest at some distance from the day's bivouse. They were utterly astray. A stentorian view-halloo brought to the assistance and guidance of the party a woodcutter-an old man of some three score years, with tangled locks, course kurtan and burk-swarthed feet. Under the old man's guidance the party found a rude but, a charcoal fire and simple Some people will presist in taking a cooking utensils. The engineer noticed one of the wonders of Texas as follows: gloomy view of everything. There is a that the old woodcutter when unobserv-About 110 miles east of El Paso, near Si- man of that kind in Austin, living in ed, scanned his face rather attentively. erra Blanco, on the line of the Texas and Ward No. 13. The young engineer had not forgotten the peculiarly sail sweetness of his old Professor's smile. The ragged and "Well, it might have been her if she picturesque woodcutter, and the former strong and healthy-not a better man in thing; thinks I want him to die so I can dened, the 600 feet of pipe remaining in had been on the pavement below where learned Professor of Sanscrit and Comparative Philology were the same. The encodes was, under the circumstances, "Yes, I feel just like the man did who | naturally at once both pleasing and paindropped dead in New York last week ful to my friend, to whose immediate and

> suddenness and mystery of my disappenrance from Odessa, the secret police might have explained. Nothing beyond an unfounded suspicion of disaffection to our Little Father and a preposterous charge of disseminating a revolutionary doctrine have sent me to this life-long banishment. But I do not repine. I have sufficient philosophy left to apply myself to the felling of pine trees with the same rest as that with which I formerly delighted to pursue a knotty philological problem. Am I not wise in my generation and old age? I am deprived of the sight and companionship of old friends; but God gives me health and a portion of contentment. My masters pay me but few unkind words and 2 roubles per mensem. My old Odessa pupils paid me 6 roubles an hour. But what of that?

draw tightly round the heart and give me infinite pain. Then I swing my heavy adz with greater force and endeavor to not to speak to me at parting. You were always obedient, and you hear me. God
