### CONSTIPATION

"I called the 'Father of Diseases' because there is no medicine through which disease so often comes as in the bowels. In the treatment of disease the bowels are neglected and the result is a general ailment. I have discovered a new and powerful medicine, called 'FENNY'S' which is a powerful laxative, and is generally accompanied with a cathartic, and is generally accompanied with a cathartic, and is generally accompanied with a cathartic."  
**LOSS OF APPETITE, SICK HEADACHE, BAD BREATH, ETC.**  
The treatment of Constipation does not consist merely in unloading the bowels. The medicine must act on the digestive tract, for the bowels are not a reservoir, but a passage-way, and must be kept in motion. Fenney's is a powerful laxative, and is generally accompanied with a cathartic, and is generally accompanied with a cathartic."  
**SIMMONS' LIVER REGULATOR.**  
"By attention, after suffering with Constipation for many years, I have discovered a new and powerful medicine, called 'FENNY'S' which is a powerful laxative, and is generally accompanied with a cathartic, and is generally accompanied with a cathartic."  
**DR. J. H. ZELIN & Co.**

### AARON BURR'S WOOING.

From the commanment's quarters on Westchester Height  
The blue hills of Ramapo lie in full sight.  
On the slope glim the gables that shield his heart's glow.  
But the redoubts are wary—the Hudson-between.  
Through the camp runs a jest, "There's no moon, 'till he dark"  
And the most of the troops is a "Picket, lie low."  
And good luck to the Colonel and Widow Provost!
