Mr. Garrett Resigns

BALTIMORE October 12 - For twenty-nine the name of Garrett has been at the hend of the Baltimore and Ohio Railroad. To-day it disappeared. When John W. Garrett took hold of the corporation he found it shaky and unproductive. He pulled it up by his management until it paid 10 per cent dividends and its stock sold at nearly \$200 are. To-day the dividend for the main em'was passed, and the stock sold at \$108 and may go to par before the week is The greatest surprise of the day was the pasreatly and deservedly esteemed, and of sing of the dividend. At least 3 per c high reputation both as a lawyer and an was expected, and quiet assurances to that effect have alone kept the price as high as of next month's election will greatly ef- ent upon it. The city loses so extensively that a floating debt of \$130,000 will be created and the city taxes will have to be This too, when only five years ago the city could have sold stock at 100 per cent. advance. The Johns Hopkins University loses \$120,000, or more than one-half of its income, and the institution will have to fall back on its reserve fund for current expen-

pointed to, as an evidence of wavering of the company's indebtedness is not yet faith, and must be injurious to the best known, and that developments will disclose interests of the party in the great contest | many more millions than have been acof next year. The Democrats are quietly knowledged. The argument is made that but actively pushing things, and are the amount received from the recent sale of the express and the telegraph ought to more than cover the debts reported, and this years evenue, being the largest the company ever had, ought to furnish enough earnings for a small dividend, As no dividend has been forthcoming these people argue that the cash is held back to liquidate indebtedness. It is said that Mr. Garrett will take an active inerest in the road as one of the directors.

A well-known banker said this afternoon that there is much more of the Baltimore and Ohio stock held in small amounts than is generally supposed, and a sale of stock owned by the state of Maryland, the city of of private sockholders might result in the control of the road passing from its present owners and under that of foreign parties. Outside of the holdings of the Johns Hopkins estate, which is 15,036 shares, the Garretis 30,000 shares, the Greggs and a few oththe south entrance as the great organ was ers having a total of 60,000 shares, there are 90,000 shares. This, however, includes the ally across Ogden avenue on his way to his boldings of the state and city, both of which it is more than likely there will be a strong saw Rawson come forth, ran along the av- In this contingency there is nothing to preenue until he was within eight feet of the vent Jay Gould or any other syndicate banker.
