GOVERSOR HILL, of New York made the assertion a few days since that "ev ery dollar of taxes unnecessarily collected is robbery." True, very true! and yet Governor Hill and his Democratic friends that the unnecessary taxes on whiskey and tobacco shall be retained.

Tus Kentucky Court of Appeals recently decided that a man who committed a murder while under the influence of liquor must suffer the penalty of the law. The Court took the ground that drunkenness itself was a crime and that one crime did not furnish immunity for the commission of a greater one. This is good sense, and if all courts construed the law as rigidly as the Kentucky Court of last resort, murders would be less frequent.

SPRAKING of the fool speech made by the rebel brigadier Jackson on the occa- the plaintiffs in this case, it will give a se- and undescloped regions have encourage sion of Jeff Davis's reception at Macon, the St. Louis Chile-Democrat thoughtfully says: "General Henry R.
