but, so far as could be learned, all escaped with their lives, though several were seriouschanged. ly injured. George Harris, the brakeman, was injured internally. A colored man and his wife and three children were in the coach when it rolled over. The husband sustained a fracture of the shoulder-blade, and his wife was cut about the head and breast. Just country's history. how the accident occurred none could state. Mills as a Leader.

The front truck of the coach was left on the track, one wheel was broken, and the oninion among the trainmen was that on rounding the curve the broken wheel split the truck and the car tilted completely over. Those who had the roll down the hill said that the couch turned over as many as four imes. Is further flight was stopped by a fence at the foot of the embankment. The

car was burned up. The passengers were taken along on the engine, and their wounds were attended to by three physicians who happened to be on the train.

Two Persons Shot.

The case of the
