Never heard o' ole Mat Thompson swollerin' a smake, did you?" at the time an' I thought that the procedin' was sorter strange, but us I ain't no man to dictate I let him go ahead. Yander comes my son-in-law, an' I do know that he's less account than any feller that ever lived. Look at him shalling alone like a fool." to marry him?" to dictate? I reckon you'd better be gone. A feller that's as bard o' understandin' as you air most git a man inter trouble."-Arimman Transfer.

oriole sounds as though the bird were amount of beef at the lowest possible hand which rested on the back of the At the Hoffman house the reporter met singing Tuscan Latin. The voice of the cost, for with the exception of the Jerseys car sent. He was with his mother. She Of course they had no doubt that the a Montana man from Helena. He said wood dove is like a finite. The red bird's and Devons, the Holsteins consumed less was plainly chal as was he. She had a English knight would knock over the that he should not return to the ances voice resembles a piccolo. The scraping food than the others while the Jerseys thoughtful face, perhaps a little sad. I Scotchman, for the knights of that countral halls of his "dogout" until whisky voice of the whetsaw resembles so exactly and Devons did not gain in weight even functed she was alone in the world; that try were not believed to be very formid- thaws in the spring. It was so cold when the sound of a saw at a log-mill that in proportion to the food caten. Looking her husband might be dead and this little boy her sole treasure. He had a There was a great array on the bridge, brandy had been sawed into paper more than one stwyer has been waked victory for the Holstein as a beef producthe king and most of his nobles being weights, to remain in that shape until from his sleep, supposing that the mill inganimal, but as there were two Hot- pion and defender. But he could not have been more than five years old. voice. The cathird imitates a violin. The not show as good a record as the first, yet We arrived at our station and left the lists with twelve knights, who had been citizen from St. Paul was found in his monotonous voice of the blue jay is like its gain in proportion to food consumed car. We waited for the long train to was greater, while its daily gain was fully pass. As the car in which our little friend was seated came up he was at the window. He canght sight of us, and paraging to the Shorthorns, Galloways with the instinct of established courteons habit his hand went up to his cap, and the cap was lifted. A bright smile on from putting it up because it can only be obstrates that, though the Holsteins are the bonny face and he was gone.

It is not a comment on the manners of

A burglar got into the house of a fruilman lay with a smile that told of pleasant dreams on her lips.

Roughly shaking her, the dastardly intruder said graffly

"Here, wake up ; now just you keep cool; no use yelling; I know as well as you do that you're alone in the house ; just hand over the keys to-here, stopthat! let go! help! merrder! help! help! 0-0-0-h ! O-h-h-h !"

When the police finally got there they found the burglar done up with a clothes line as neatly as a grocer does up tenpotnets of sugar. He was just opening his eyes in the "coming to" process; when they rested on the little widow they took on a beseeching look as he shivered and ensped out :

"Don't leave me alone with her again, Rocky Mountain lions and she bears nas at a time, but this is my first experi-
