## As to Election Returns.

A circular has recently been issued by the Secretary of the Commonwealth containing the ordinion of the Attorney General relative to the duties of the election officers in making returns for aldermen and justices of the pence in the different boroughs and townships of the State. The opinion resulted from a contest as to the right of commission arising in one of the boroughs of Lackawana. county, where the clerk of quarter sessions

had certified to the election of one man and the prothonotary of the same county the election of another man. The Attorney General holds that it is the duty of the rothonotary and the clerk of quarter sesnames of the persons elected to the Secretary W. S. Kuhlman. of the Commonwealth.
