A few deep-drawn grouns on my Didn't Toady to the Mugwump. person a hundred miles away who bore part brought a man down the ladder, and Kelly's description, and I was about to lowing conversation in a restaurant : "So the boys who went to the haunted

house got a scare?" "An awful scare. I guess a new ghost has taken possession."

"Saw doors open and beard grouns and

"Well, it's funny." "Yes." It may seem strange to you that I at a new ghost showing up just at this time | crime, he said to me; anade me suspicious. That night at ten o'clock, accompanied by a local detective, I visited the place. It was a rambling big farmhouse, situated twenty rods from the highway, and the ground around was grown up to weeds and bushes. All the windows were broken, and some of the doors stood open, and a more gloomy place I never saw. We entered by a rear door and found the floors rotting away and the plastering crumbling off. We pushed on to the sitting room, where the partly opened. As we looked into the gotten:

es had been freshly oiled. found little but coloreds and dust. Each of us had a lantern, and each inspected for himself. At one corner of the ceilar I found an old syster cru in a queer position. It seemed to be sticking to the sition. It seemed to be sticking to the floor above, but after a close examination, held up there by a cord. I said nothing to my companion about this, nor about another discovery made in the front goons." another discovery made in the front hall. At one spot, where the plastering was off from base to ceiling, I caught the Governor, in surprise.

"What do you want, my men, asked other manner of man would be a victory not worth contending for.—N. Y. Press.

We would advise all not to neglect the opportunity to call on their druggist and get a bottle of Kemp's Balsam for the Throat and Lungs. Price 50 cents and 81 00. Trial size free. For sale by all leading

The Bowl.

druggists.

Can any one explain how the bowl came to be a symbol of the drinking habit? It has long been the custom of MOuns De Rovolvers, temperance lecturers to exhort their hear ers to shun the bowl. It was devotion to the bowl that destoyed men and brought the house in the day time. There were people living within a quarter of a mile of the place, and by and by they began to tell some queer stories. On two constions parties of three or four went out from the city to stop in the house all night, but in each instance they were driven away by strange noises before midnight. I lived in a town forty miles from the haunted house, and consequently head active and on his arm and waited freasurer. He had the fands of a large and prosperous lodge in his hands, and prosperous lodge in his hands a case against an abscording treasurer.
