Jackson, Mich., April 4.-Prof. Hogan made a magnificent leap from his balloon shortly after noon to-day. The first attempt at an ascension was a failure, but the second effort was a success and the air-ship soon reached a height estimated at nearly 10,000 feet. At this elevation the balloon seemed to stand still, and by the aid of glasses Hogan could be seen edging over the side of the car. Suddenly a cry went up, "He has jumped," and the crowds craned their necks ing aeronant was seen diving to the earth, and Miss Lizzie M. Suder, both of Berlin. with lightning speed. ### The New York State Convention to be Held at New York City.

New York, April 6.-The Democratic State Committee to-day decided to hold the State Convention at New York on May 15. Invitations came from Albany, Buffalo and Syracuse. On the first ballot New York and Albany had 13 votes each and Buffalo and Syracuse 4 each. On the second ballot New York had IS and Albany 16 votes and the selection of New York was made ananimous.

## Fifteen Children In a Well-

Cussiano, April 7.-A dispatch from Palmyra, Mo., says: Yesterday being Arbor pols started, shortly after dinner, to tskirts of the city to dig up trees to transdant in the school house yards. On reaching the old Primrose place some of the smallhildren, who were in advance, gathered around a well and attempted to pump some water to drink. The planks on which they tood gave way and tifteen of the children were precipitated into the well, containing five feet of water. By means of a rope the one out alive. Arthur, the nine-year-old son of Mrs. Lem Little, a widow, was drowned. Several others were injured, but none
