No One Need
REMAIN
A Dyspeptic.
I have been suffering for over two years with Dyspepsia. For the last year I could not take a drink of cold water or eat any meat without vomiting it up. My life was a misery. I had recommended Simmons Liver Regulator, of which I am now taking the second bottle, and the fact is that words cannot express the relief I feel. My appetite is very good, and I digest everything thoroughly. I sleep well now, and I used to be very restless. I am fleshing up fast; good strong food and Simmons Liver Regulator did it all. I write this in hopes of benefitting some one who has suffered as I did, and would take oath to these statements if so desired.
