

REPUBLICAN NOMINATIONS.

NATIONAL.

FOR PRESIDENT, GEN. BENJ. HARRISON, OF INDIANA.

FOR VICE PRESIDENT, HON. LEVI P. MORTON, OF NEW YORK.

STATE.

EDWARD SCULL, Lewis Pugh, District Electors.

JUDICIARY.

JUDGE OF THE SUPREME COURT, JAMES S. MITCHELL, of Philadelphia.

COUNTY.

FOR CONGRESS, EDWARD SCULL, of Somerset Borough.

FOR LEGISLATURE, NASH S. MILLER, of Jersey Twp.

FOR JURY, JOHN J. WATSON, of Somerset Twp.

FOR FOUR DIRECTOR, ALEX. HUNTER, of Somerset Twp.

BENJAMIN LEVI and Levi are good old Scriptural names.

Let Democrats wear their handana. The old flag is good enough for Republican professions.

HARRISON and Morton make a strong ticket and one that will steadily grow in public estimation.

Tanbandana will be most useful early in November, when the weeping and nose blowing will be in full blast.

Reminds come from every section of the country of Republicans enthusiastically ratifying the nomination of Harrison and Morton.

Yeats Tippecanoe and Morton too makes a combination sufficiently euphonious for this year 1884. It is a winning combination, too.

Ticket tick is made. The convention is over. Now let Republicans stand shoulder to shoulder and elect the candidates by an old-time majority.

Democrats may see some to be painted at the fact that not a single candidate for the Republican National Convention is disgraced or likely to sink in his tent during the coming campaign.

The Democratic majority in the House are playing a desperate game. It has been decided by the Committee on Conduct of the House to meet Representative Felton, of California, and seat his Democratic antagonist, in order to secure a vote for the Mills bill.

The Senate Committee on Pensions has made a report that will neither the Democrats considerably in the coming campaign. It brings out in strong light the petty hostility of Mr. Cleveland to the war soldiers. He has vetoed 136 pension bills since May, 1884.

There has been one of the slowest and most inefficient even of Democratic Houses of Representatives. The appropriation bills are just reaching the Senate for the Republican session. The fifty-first Congress will probably do better with more dispatch and to better purpose.

The meeting of Harrison and Morton ratification meeting held in New York, Friday evening, is well calculated to show that the Republicans of the Empire State are this early awake to the importance of the contest and are fully determined to redeem the State from Bourbon control.

The Republican party for the first time in a quarter of a century, is an assault, with its enemy on the defensive. Its candidate its platform, and its record are each the exact antipode of what its opponent offers. Its platform needs no explanation and its candidate no apology. Its record is simply one of success as opposed to failure, as opposed to disaster, prosperity as opposed to disaster.

A PROMINENT Eastern Democrat says: "The geographical significance is in the fact that Harrison comes from the State necessary for the Republicans to carry, and Morton from the State which the Democrats cannot afford to lose. The combination of Indiana and New York is a wise one for the Republicans; it is a threatening one for the Democrats." Democrats along the entire line are not shaking their sides with laughter over the nominations.

The latest report of evil for the Democracy is Congressman Vance, of Connecticut. He says that without his State Cleveland cannot be elected, and he fears the Democracy will lose it on the tariff issue. The people of Connecticut who that free trade would close their workshops and factories, and make idle the thousands of workmen and bankrupts of those engaged in business. On the tariff issue Connecticut is all right.

At the Republican Convention held in Bedford, Tuesday, the following ticket was nominated: Associate Judge, John C. Wright; Legislature, Captain S. C. Evans and W. Scott Mullin; Jury Commissioner, Darwin P. Wright; Poor Director, Abel Johnson. B. C. Haderman, Esq., was elected Chairman of the County Committee. Among the Resolutions unanimously adopted by the Convention, was the following:

That we approve of the conduct and votes of Hon. Ed Scull, our Representative in Congress, and our Representative in the State Legislature, and we authorize the Chairman of the Republican County Committee to appoint three conferees, if necessary, to meet conferees from the other counties of this Congressional district to formally ratify his nomination.

OUR UNITED PARTY. Some Irrefutable Reasons Why Ben Harrison and Levi P. Morton Will Unseat the Democracy.
