he lower branch of our National Conress, has been careful and painstaking interests of his constituents, and the Mills bill any measure that has stood right in all his votes on popular ires. The experience he has gained possible. Go to work for Scull. Let us give him a big majority.-Hollidaysbury

GENERAL HARRISON is not only making no mistakes in what he does say in his daily addresses to delegates, but he is also keeping no cowardly silence for policy's sake. What the man believes that he says, so courteously as to offend no he asks the people to intrust to him. He a soldier, is in bad company. rying American mails; he is for liberal

appropriations for a war navy and for coast defenses; and he is for protection has not declared himself unmistakably. Neither the platform nor the candidate of the Republican party has an atom of evasion in its composition. The platform makes a plain declaration of principle; the candidate accepts the declaration according to its plain meaning.

ONE of the stock arguments of the free traders and of the advocates of the Mil's bill is that the import duty on any article raises by the amount of the duty the price of the article to the consumer. and this rule, it is claimed, applies not only to articles imported, but also to similar articles of domestic production. These same free traders and so called revenue reformers also claim that manufactarers derive all the benefits on the tariff on imports, and that the farmers are the products of their labor are not pro- capital is expensive.
