"No wonder you were put out."

Uncle John Robinson's Giant

Uncle John Robinson, the veteran

showman, died recently in Circinnati,

over 80 years of age. He had been in the circus business ever since he ran acce-

from his horse in Uties, New York, when

a boy, to follow a show. He was a brace,

impetuous man, and a bad one to tackie in his best days. The following is his rela-

tion of the way he once disciplined the

giant of his circus, as he told it to the

"He was the most shif'less giant lever

knew," said Uncle John, in talking about the "Polonaisien Hercales," as the giant

was called. "He didn't seem to take no

interest in his business. A giant to be

useful to a show most be sociable like

with follow that come to see him. Ho

must shake hands, not children on the head fell how tall he is how much how

weight, how much tabacker he chows,

whother he was ever in love, and all that

writer some years ago:

"Here, you, Rube, I says to the hose canvascoup, "where is that - giant ! "Itrunk and asleep up to the levers."

"Well, I'll sleep him, set I, blank his eyes, and, picking up a hard wood barrel stave, I started for the tavern on a run. You see I was mad, for I was curting him heavy and paying him 850 a week and "Tirunk" we suggisted.

erin "found drenk morn bull the time I was so mad that I forgot he was a gent! I was only thinking of a mun's drawing a big salary from a show and not showing. I rushed up to his room, and there he lay, fast asleep and snoring like a fog horn." "How tall was this giant, Uncle John! "Nighten feet; but I was so mail I

"That's it," said Uncle John, with a

blank head off? "He junged up quicker's any giant
