Appetites of Hired Cirls. Talk about the appetite of girls," and a portly as strong at a domestic aid agency

with a smile. "Whatever may be the netter with that of our untive burn girls those is certainly no foult to be found. with the digestion of the famiga bounthelp lateing out in private families. Way, it's often been a wonder to min what rirenous appetites a good many of them giels develop. Now, there was a 17-year and English girl, a small but plump ereature, who went to work in a family of two near Lincoln park. She was a good girl, quick, nest and mastentions, but after a fortnight the lady came to me and cold me she couldn't keep Nellie any longer she'd rain them; she ate too much. Would you believe it, sir, that small girl ate three pounds of sirioin beafstake at one breakfast. A comple of pour is of rare roast beef, together with bread, potatoes and ple enough to feed a starying family for a week, was a regular thing with her. The first two or three lays it amused that young married corple to whom she had arreduct. They used to sit and watch her operations at the table with bulging eyes. They thought she had been starting and had to fill out devoted faithful earnest men and women. The confidence represed in me by the conday. They had to give it up. That god when the Republican party has sounded Vice President as presiding officer of the was actually bankenpting them. The of the week were as high as they would

"Then there was another girl, a veraffinit to keep her-that's the fact. And iv. Some people think they last do it.

General Harrison's Part.

It will be remembered that early inthe compaign Scantor Quay said; "If General Harrison keeps on making sensible and statesmanlike speechs as he has begun, he would elect himself without any assistance from the National, State or Local Committees," General Harrison has kent on us he began and has had the active assistance of all three Committees, for the Republican party is easily united upon such admirable candidates as tien. Benjumin Harrison and Hon, Levi P. Morbot, and-we must not forget the third cambidate - Mr. Republican Protection
