follow to-morrow, or at furthest on Friday. Immediately after the decision was made known to the Senate Seastor Sherman made a sharp speech, which must be regarded as the general statement regarding thabiil and the brief opening of the debate which is to take place upon it. He stated that the reduction it accomplished was \$73,688,000. It was a conservative bill, he said, and if it

could be taken up free from party asperition he thought it could be made the most perfect revenue measure ever placed upon the statute books. The issue between it and the Mills bill was soon to be tried before the people, and the difference was clear and dis-

It was a question between a tariff for reve nue only and a tariff for revenue and protec tion. It was a question whether the articies uccessary for human life should be made this the President to be elected on the 6th of by American labor or by foreign laborers; whether the wages of American laborers should depend upon the wages of foreign laborers, or should depend on the American cincts where the inspector is a Democrat to your bodies that will in that day whereof policy of protecting all forms of labor and as a complete failure in everything it under took to deal with,

The other Republican Senators who had examined the measure expressed themselves as very well satisfied with its provisions. clerk to be selected by the Democrats of the precinct.
