From the New York Tribene, James G. Blaine on Thursday night ad-TO AN AMERICAN CITIZEN

Bevenix, Mass., Sept. 13, 1888, Sin-I am in receipt of your letter of the 4th inst., and beg to say that I fully appreciate the enister's letter. When Blaine was introdifficulty in which you find yourself in casting your vote. You are probably aware that | any political party which openly favored the mother country at the present moment would lose popularity, and that the party in of more than Irish oirth, but not in relation power is fully aware of this fact. The party, nowever, is, I believe, still desirous of mair taining friendly relations with Great Brit ain, and is still as desirous of settling all questions with Canada, which have been un-fortunately reopened since the retraction of the treaty by the Republican majority in the Senate, and by the President's message, to which you alfude. All allowance must there fore, be made for the political situation a regards the Presidential election thus created.
It is, however, impossible to predict the coarse which President Cleveland may pursue in the matter of retaliation, should be be elected; but there is every reason to believe that, while upholding the position he has taken, he will manifest a spirit of conciliation in dealing with the question involved in his message. I inclose an article from the Wall Street, New York 5-26-181. yours faithfully,

The impropriety and indecency of the British Minister's intervention in a politica canvass in the United States do not require nonstration. He represents his own government and has official relations with the country at large. He ought to have no dealings with parties or factions. Diplometic usage is most exacting in this respect. The accredited representative of a foreign court is debarred from taking part in political struggles and election controversies. The British make that "No" a large majority of the minister has so far forgotten the unwritten law of diplomacy as to advise naturalized For the last four months the Democrats citizens of English and Canadian birth to have been denying and the Republicans support the President as a candidate for rehave been affirming that the first and last election.
