So it's all the

It is a noticeable fact that however

Canadian Indians at Home.

The innubes of this Indian home were the strangest part of the scene. The tidy women were squatting on the floor, some cross-legged like Turks, others sitting on one feet as a custion, their toos terroriinward under them, or on their kness and heels. They were quite erect, yet easy in their attitudes, as comfortable as we are upon luxurious furniture.

One of them changed her dress by de-

tachments at my elbow. The men were waiting for dinner; one slept curled up in a heap near the wall; another sat flat on the floor by his wife; and the other two lay stretched across the opposite end of the lodge. The children showed a remarkable capacity for stowing thomselves away in grotesque shapes in nooks and corners, whence they stared at me with black, bead-like eyes as expressionless as those of animals. Meanwhile the people Once there was a little boy who all sum- kept up a general conversation in their mer long had been very anxious to camp own tongue; their voices were low, even out over night. Behind his mother's in languter, and expressive of a kind and house was a large garden-as large as a considerate nature.
