Official breath canishes with the use of Dr. Sage's Catarri Remedy.

The Woodchuck's Burrow.

Through some parts of the State of Conpretjent it would be hard to pick out a clover field of any size that did not have a woodehuck burrow in part of it. Sometimes they choose a site somewhere under the stone wall which surrounds the field, or if there is a large rock, as is often the case, anywhere about the middle of the field, the animal will burrow wader this as a very choice location. Finally the roots of an old apple tree or other tree are often chosen for its strong hold, the burrow being dug down among About every other man elected to the them, the owner seeming to possess a renext Legislature in this State has a sliving sense that no man would ever are preparing a regular plan of campaign woodchuck at first decends obliquely inwith a view to accomplishing two things, to the earth, then passes nearly harmonsuit their views, and the prevention of the last half of its length to terminate in the submission of the proposed prohibi- quite a spacious and round chamber the liquer interests in Pateburgh will fail this entire family.
