Monday evening a passenger named Holsopple, on the Somerset & Cambria train, picked up a pocketbook in one of the seats of a car shortly after the train left Stoneycreek. It was handed to Conductor Waite and was found to contain \$185 in money. There was also a receipt, dated April 13, 1889 Mr. J. E. Bradherry, representing E. The Conductor says Spangler was on the train and got off at Stoneycreek to come over to the Mills of the Lumber Conspany at Mesdowvale, and the pocketbook undoubtedly belongs to him.
