A Boy Shariff.

I was going down town one meming, and passing through one of the side streets I saw a group of hoys. It was just before the school hour, and the crowd of his proclamation the Governar says: increased very rapidly. As soon as I got - The planting of trees and shrubbery in near I saw two of the boys standing face sear public school grounds and along our to face with doubled fists. I know the highways is earnestly recommend to our nature of the attraction. As I came near- people. The surject of tree planting, hower I turned to one side, and just then one ever, has become so important in many of those double-finted boys looked up stay-that the Executive feets compelled to and said :
