A Lucrative Profession.

A Hong Kong journal gives an account of a Japanese who has lately set up in that country as a professional tattooer of pictures and designs on the body.

Working a Hog. When I worked the village, situated among the hills of New York, at 19 o'clock in the morning all was peaceful and serene.

Don't Stint the Calves.

A calf is worth nearly as much as a cow, not that it will bring as much money, but that a very small outlay will be brought to a cow, and it will feed and care for it.
