Neugl Advertising. Original and "taking" advertising dodge are cropping out every day. I witnessed the latest in the vicinity of the city hall vesterday. Two well formed vouse women, bearing between them a small banner which set forth in golden fetters and catchy phrases the merits of a certain rat poison and ladies face powder, were the features of the new dodge. Each young woman, besides wearing be witching smiles and long, luxuriant golden hair, was adorned in attractive costame.
