nomination at the primary election in Camwest corner of Cranston, about 15 miles from this city, which supplies a number of mill villages along the Pawtuxet river, burst this tion might just as well attempt to catch fish write an interesting letter without calling and some damage done to property. A man upon his fancy to help him out. There is absolutely no news, as the newsmakers are all mile off, first noticed the water coming through the masonry of the dam, as he describes it, in a stream about as big as a barrel. Down in the valley were Mrs. Greentew aged 60, a Mrs. Hawkins, aged 60, and Mrs. Lewis' son, 7 years old. They were walking through a strip of wood and were overtaken by the flood and drowned. Their bodies were found in the wood through which the water quickly ran, until

it emptied into the Pawtuxes river. The river rose rapidly and caused considerable alarm among the people along its banks, who thought Ponnegansette revoir, the biggest in the state, had gone. Many of them left their houses and fied, but the flood subsided as rapidly as it had come, and the only danger to the property was the wrecking of a stable, the carsizing of Dr. E. K. Clarke's carriage shop and the

demolition of three bridges. The dam was built in 1887 for the service of the Pawtunet Valley Company, and the reservoir covered 18 acres. The data was
