NOTHING TO DO.

BY JOEL RENTON. There are women and men in the world not a faw. Who live upon day dreams, with nothing to do; They visit, they goosly, salvise you, in fine . But business and work are quite out of their line. There's nothing in nature so life as they. But they dress well, and seem to be happy all day. Look dinners they ear, but no calling pursue, Except when they "call" on your neighbor and

would not accuse them of squand'ring a dime But they make no account of the value of Time; Good-natured and easy, its hours they thro', As if in this world there were nothing to do. They lack not some virtues, but study the art

Of playing life's game without taking a part; They do not have wealth; and I wish that I knew How they glide on so smoothly with nothing to

on.

If others have multiplied duties and care,
They are not aroused, and they feel no despair;
Some vocation or other they could surely find, Tis a curious misjudgment, for action is best, and those only who work have the solace of rest The dismalest life that a soul can pursue s to live in a world where there is nothing to do . A SECOND MARRIAGE.

BY AMY RANDOLPH.

WE DO NOT PLEDGE offering of sweet, steaming incense, and what all this means." A new meas emorate of little Georgie was borne out from the station, this young lady, her arm locked in that of the sorrowing not a liquid or snuff, but is easily applied got a better right." And then we'll be out of this horrid bus- cold sods to woolen stockings, he is also to spare her the sad sight. When all that A new idea embraced in Ely's Cream know?"

A Pathetic Incident.

One morning last spring the writer chanced to be on one of the suburban trains running into Jersey City. The seat in front was occupied by a colored woman and her child, a lad of about ten years of age. The little fellow seemed very ill, and his mother was tenderly solicitous for his comfort.

Bits of their conversation came to my ears. From them I learned that Georgie, as she called the little lad, was a patient | gle clear voice filled the air. at the Consumptives' Hospital in New York. He bud been bome on a short visit, and his mother was taking him

back to that institution.

gie." I heard her say, "we'll have Bennie come in, an' have some bananas an' figs, an' have a good time." "O, mammy, won't it be nice?" he answered, in a weak voice, but with a thrill

"An' when yer come home agin, Geor-

"I spec' I won't have to stay much longer at the hospittle,"-he broke off with a fit of coughing. The mother gave him a drink of water

and some simple remedy she had at hand. I could not forbear watching and listening the two seemed so happy in themselves, so oblivious of the rest of the passengers. "O, mainmy," said the boy at length,

"Jim's eyes'll jest stick out when he sees dem grapes I've got for him ! Dey don't git none like them at de hospittle." "I reckin dey will," smilingly answered the mother. "An nex' time I come to see yer, I bring yer some o' de bigges'
