Literary Note Horace Greely and Jefferson Duvis are the ubject of the strongest articles in the Feb-

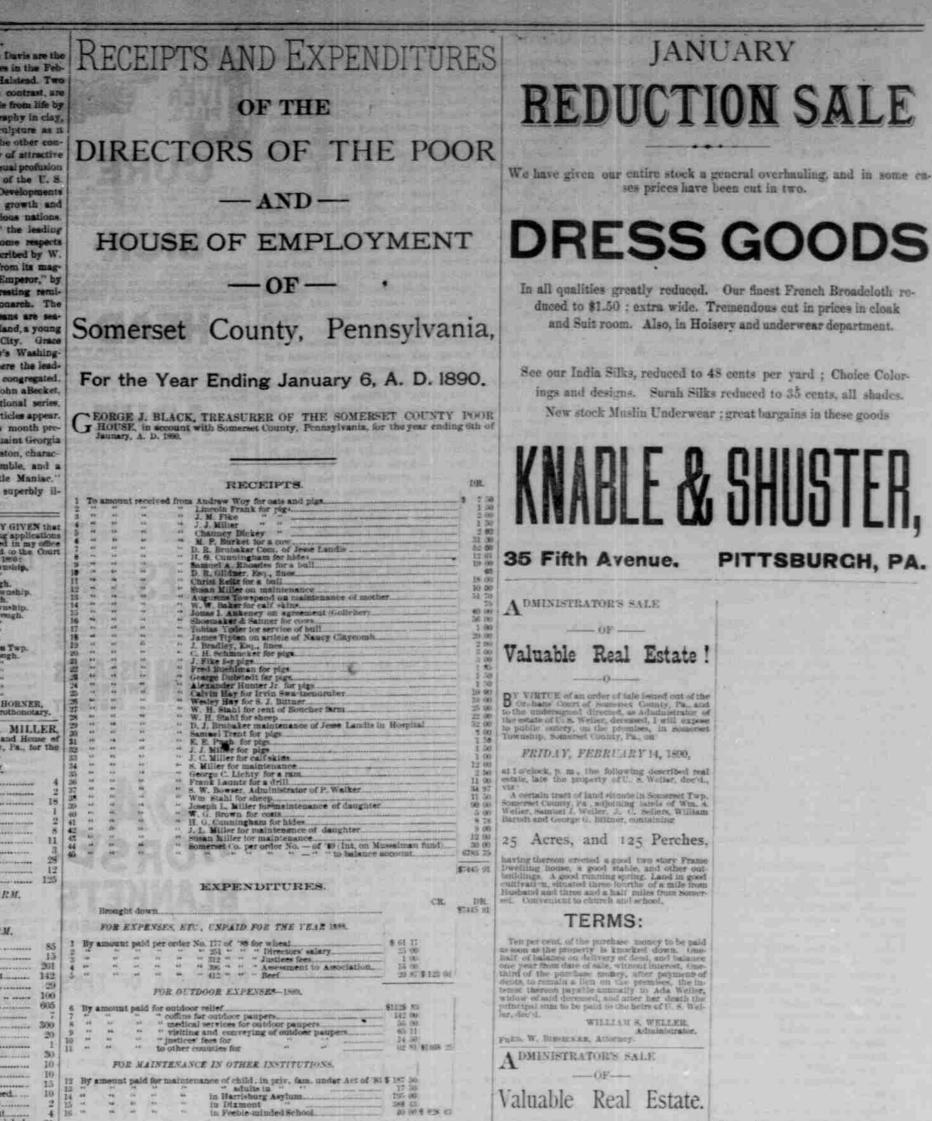

rusry Consepoliton, by Murat Halstend. Two of the illustrations, in curious contrast, are a realistic photo-accepture number from life by an obsolete process of photography in clay, and J. Q. A. Ward's ideal accepture as it now appears in his studio. The other contents give an abundant variety of attractive and timely reading, with the usual profusion of illustrations. Capt. Greer, of the U.S. nce Corps, in "Recent Devel in Gun Making," shows the growth and tendency of armament in various nations "The Vienna Burg Theatre," the leading

theatre of Germany, and in some respects the finest in the world, is described by W. the finest in the world, is described by w. von Sachs, with illustrations from its mag-nificent frescos. "The Exiled Emperor," by Frank Vincent, contains interesting remi-nisoences of the deposed monarch. The carnital festivities in New Orleans are seamably portrayed by Mary Bisland, a young rnalist of the Crescent City. 6 Green wood tells of Mrs. Bailey's Washing ton Salon a generation ago, where the less ing anti-slavery personalities congregated. "Georgetown University," by John aBecket, forms a chapter of the educational series. and half a dozen other good articles appear. nstead of the usual novel, this month pre-

sents a double substitute in a quaint Georgia story by Richard Malcom Johnston, characteristically illustrated by Kemble, and a humorous play called a "Gentle Maniac." by George Edgar Montgomery, superbly illustrated by De Mean.
