The New Tariff Bill

New York Tribure.

The Republican members of the Committee on Ways and Means have completed the new Taritf bill, after much investigation and careful weighing of conflicting interests. On a great number of points the members were read, and on a few, compromises were ed, to be a candidate in Blair county, reached which it is expected the Repulicans Cambria county has not yet put forward | will unitedly sustain in the Committee and a candidate, but will probably do so in in the House. The bill has for its basis the one adopted by the Senate at the last session but in many essential points appears to be A snour time ago the free trade press an improvement upon that measure. Farther was full of reports that there would be examination and discussion may justify no tariff bill pursed at this session of medifications, but in nearly all essential fea-Congress. Now that the bill is almost tures the measure seems to answer very ready, and certain to be presented to the faithfully the wishes and expectations of

In the election of 1888 the Tariff question had the foremost place, and two objects were distinctly avowed by voters of the victorious majority. They wished the Protective system not only upheld but completed, by carrection of omissions and defects which exorrience had brought to light in the schedtiles relating to manufactures, and by more just Protection for agricultural products. Reduction of revenue was desired, but it A Cleveland: judge refused to natural- the revenue about \$20,000,000. They have for lighting the fire.
