O. P. Shaver, Owing to the large number of my patrons whom I thank kindly, my agents and myself may be unable to call to see you personally, so I take advantage of your excellent papers to call your attention to the merits of our Fertilizers, and beg leave to say that S. B. Yoder of Pugh. Somerset County, Pa., and myself have solicited orders for the fall crops of 1800-160 tons to date of issue, notwith-

standing the strong competition. R. M. Patton, of Somerset, who resides near the depot, is acting as delivering agent for me. By addressing or cailing on him, you can learn our prices. We can re-ship to any local point on short notice, but would prefer at all times to have your orders as far in advance of immediate wants as practical as it enables us to get our goods to you in better mechanical condition. In behalf of the Susquehanna Fertilizer Co., I am,

Very Respectfully, A. J. Kosen, Guernsey, Pa.

SCROFULA Boggs & Buhl, Is that impurity of the blood which produces

unsightly lumps or swellings in the neck; which causes running sores on the arms, legs, or feet; which develops elders in the eyes, ears, or nose, often enusing billadness or deafness; which is the origin of pimples, cancerous growths, or "humars;" which, fastening upon the lungs, causes consumption and
death. It is the most ancient of all diseases,

(Clerk to Sense Person Committee for last of
year. If you like prominings, write me Glad deafness; which is the erigin of pimples, canand very few persons are entirely free from it. to give advice.

How Can CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, has proven itself to be a potent and per medicine for this discuse. If you suffer from serofula, try Hood's Sarsaparilla. "Every spring my wife and children have been troubled with scrotain, my little boy, three years old, being a terrible sufferer. Last spring he was one mass of sores from head to feet. We all took Hood's Sarsaparilla,
