wits end," as the old saying is. It seems, according to existing laws, that there is no use in farmers making a bargain with a use in farmers making a bargain with a hireling. The only way a farmer can safely doubt very much if such an agreement would be considered valid if decided by a court. A hireling can go to a farmer, hire himself for certain wages per month; he Second Arrival of New Fall Goods can then work one hour per day, and he can loaf around half the time, and do just as he pleases, and all he need do when he gets tired of his bargain is to leave, sue his employer for any amount of money he sees fit, and the farmer will be compelled to pay the hireling all he demands, and he will have to pay him for every day he loofs around, no matter if the farmer proves the bargain with the best witnesses in the county, the law is all for the hireling; and no matter if the hireling claims such an amount that every OCTOBER 7th, sane man knows no farmer pays for wages.

is the way I view the matter : A farmer has no more protection in law than a passing cloud. I would therefore adviscall farmers, when a boy comes along to hire by the year to take him by the coat col-The sermon at the christian church Sun- lar and boot him off the premises.
