Who Will be Judge Baer's Suc-

The smoke of the late political buttle having cleared away, our local politicians are beginning to prepare for the next strug-gie and are already to be heard talking up the merits of their favorite candidates. All nterest centres in the fight for the President Judgeship and the contest promises to be a spirited and merry one. Judge Baer's term expires January 1st 1892. His successor will be elected in November '91. Both parties will hold their nominating primaries next June, about six months from date. when the real battle will probably be fought. The judicial district is composed of Bedford and Somerset counties. Both claim to be entitled to the nomination and both contain numerous legal gentlemen possessed of the requisite qualifications who are willing to render their large and lucrative practices Merchant Chas. Baltzer, of Shanksville, and don the judicial ermine. Judge Baer, was circulating among his Somerset friends a Democrat, having carried the districts which is naturally Republican by about 3000 mejority, has inspired many of his political brethren with the belief that they could do the same. At least, on the principle that what man has done man can do, they are

brother of the opposite political belief. The followers of Gen. Coffroth, who have proven their lovalty to their chief in many bothy contested battles, are anxions that he Thursday, the 27th inst. Thanksgiving day should enter the lists and once more lead them to victory, which they assure him can only be attained under his skilled and ex-

The friends of Mr. Coffroth's partner, Mr. W. H. Ruppel, for years past have been A. C. Davis and George Aussan shipped pointing to him as the next Judge, and brethren of the same political faith, all the equisites of an able Judge. The many friends of John H. Uhl, Esq.,

be a formidable competitor for the nomination at the hands of his party. While interested followers earnestly argue and talk up the good points of their respective favorites, Judge Baer's friends look on, eilently listen, and broadly smile. To them House Thanksgiving eve by a number of the the talk of nominating any Democrat to be Judge Baer's successor other than Judge Baer bimself is the sheerest nonsense, and odicates weaknes of intellect on the part of talker, and they quietly point to the record which Judge Baer has made in the nine years that he has occupied the bench, cautiously produce an election

> point significantly to the figures, slyly wink, The Judge himself, who is little given to talking politics, does not appear to be at all exercised as to who his successor will be, but it is currently reported that since the late Democratic cyclone swept over the country he has been assiduously engaged in sawing wood. It is not likely that the Democratic primaries will occur without the
