resolutions of the Republican majority income worth baving .- Foulk's Companion. in the Senate, the tone of the Republican majority in the House of Representa tives, the resolutions of various State and county committees, the spirit of the Republican press, are all in evidence as to the determination of the grand old party to "fight it out on this line if it takes all summer." The smoke has cleared off the battle grounds of the late elections, and the Republican forces are rearrayed in good order and with undiminished courage. Indeed, the battlefields themselves give evidence of the strength of the protective principle. McKinley's reduction of a Democratic majority of 3.000 to in 1888 to 300 in 1890 has the moral effect of a victory. But without further discussion of the pest, it may be ed, but be has not proven it. accepted as truth that the campaign of 1802 is now opened, and that it will be fought on the lines of the tariff.

The old falsehoods can not serve the free traders again. The people can not again be terrorized with the cry of "high prices on account of the tariff." The tariff now is in full operation and prices Similar judgments have been entered in are not high. With the exception of the adjoining counties in order to effect a farm products, they are very much as lien on property believed to be owned by they were a year ago. There is no ap- them somewhere in this saction of the State. swarance of a general increase of rates. The advertisements in the newspapers, the prices marked on goods in the win dows of stores, all are contradictory of the sensational falsehoods of the Democratic press. He that walks the streets President of the institution. The firm is can not but read the assurance of low hopelessly involved and many persons lose i prices. Meantime, labor is fairly well by the failure. employed, wages are fairly good, and the prospect now is for a greater demand for labor.
