Teachers' Institute.

A joint institute by the teachers of Upper Turkeyfoot, Lower Turkeyfoot, and Addison township, Confluence and Ursina boroughs, was held at Ursina on Friday and Saturday, November 28th and 29th.

The meeting was called to order by the President, C. E. S[illegible] and after the invocation prayer by Rev. [illegible] officers were chosen:

Vice President, Prof. LeRoy McClintock.

Secretary, Ida M. Augustine.

Query Manager, Prof. R. R. Sanner.

An enrollment of teachers was made, and out of 21—the number enrolled—20 answered to their names.

The following program was then presented:

Address of Welcome, by Col. E. D. Yutzy.

The address of the evening was made by County Superintendent, J. M. Berkey. This very excellent address of forty minutes duration dwelt impressively upon the relations the school sustains to the patrons, the director and the public, closing with a picture—skillfully and artistically portrayed—of the schoolhouse of the future.

Miss Mattie Hyatt rendered a beautiful solo, entitled "The Johnstown Flood." In this Miss Hyatt certainly acquitted herself very creditably.

Miss Ida Augustine followed the solo with a recitation, giving a vivid description of the terrible disaster which befel Johnstown.

Mr. C. E. McMillen gave the thrilling experience of the "midnight murderer."

Music by the Ursina Choir—"On the Lake we Float."

Institute sjourned to meet Saturday at 9 p. m.

Institute met pursuant to adjournment and was called to order by the President. Devotional exercises were followed by the choir singing an appropriate and beautiful hymn.

Several queries were then read, giving rise to an interesting and profitable discussion, in which both the citizens and the teachers joined with the old-time enthusiasm.

A short intermission, followed by a song—"Weaver John"—introduced a talk by Prof. Berkey, on "What Constitutes the Work of a Teacher in an Ungraded School." Right here we would congratulate our city teachers upon their good attention to this very foreign subject.

Mrs. Hattie Hanson very thoroughly explained the proper methods for teaching numbers in the primary school.

Adjourned to 1 p. m.

The afternoon session was opened with a song, "Sweet Summer Gone Away," a very appropriate sentiment for this occasion, as we all felt keenly the cold wave that was passing over.

The County Superintendent discussed the topic of "Primary Reading."

Music. "Those Beautiful Days."

Miss Cora Bird read a good paper, entitled, "Do the Best You Can."

A discussion, "How Should Singing be Taught in the School-room," was opened by Mr. Wm. Reid, followed by ideas of other teachers.

Music. "The Moonlight Sail."

B. F. Scott then read an interesting paper on "How to Teach Advanced Reading."

Prof. McClintock then gave an intelligent talk on "The Benefits of a Graded Course of Study."

Mr. McMillen recited "The Debating Society." He is not a Daniel Daugherty, but this on account of his politics, and not his oratorical accomplishments.

Miss Hyatt's solo was again called for, and appreciated none the less for having been heard before.

A vote of thanks was tendered the Superintendent for his efficient work, that added so much to the success of the Institute.

A motion to adjourn was made, and declared carried.

We as teachers extend our sincere thanks to the Ursina schools for their excellent music, to Col. Yutzy for his address, which made all feel so much at home, and to the people for their presence, an ample evidence that we have their best wishes, and their sympathies in our work. SECRETARY.

TOLEDO, O., Jan. 10, 1887.

Messrs. F. J. Cheney & Co.—Gentlemen:—I have been in the general practice of medicine for most 40 years, and would say that in all my practice and experience have never seen a preparation that I could prescribe with as much confidence of success as I can Hall's Catarrh Cure, manufactured by you. Have prescribed it a great many times and its effect is wonderful, nd would say in conclusion that I have yet to find a case of Catarrh that it would not cure, if they would take it according to directions.

Yours truly,

L. L. GORSUCH, M. D.,

We will give $100 for any case of Catarrh that cannot be cured with Hall's Catarrh Cure. Taken internally.

Being Courteous.

"I treated him as well as he treats me," said Hal.

His mother had just reproached him because he did not attempt to amuse or entertain a boy friend who had gone home.

"I often go in there, and he doesn't notice me," said Hal again.

"Do you er joy that?"

"Oh, I don't mind! I don't stay long."

"I should call myself a very selfish person if friends came to see me and I should pay no attention to them."

"Well, that's different; you're grown up."

"Then, you really think politeness and courtesy are not needed among boys?"

Hal, thus pressed, said he didn't mean that; but his father who had listened, now spoke:

"A boy or a man who measures his treatment of others by their treatment of him has no character of his own. He will never be kind, or generous, or Christian. If he is ever to be a gentleman, he will be so in spite of the boorishness of others. If he is to be noble, no other boy's meanness will change his nature." And very earnestly the father added: "Remember, this, my boy, you lower your own self every time you are guilty of any unworthy action because some one else is. Be true to your best self, and no boy can drag you down.

The number of different languages spoken in Europe is 587.

He Yelled "Kemp's Balsam."

I yell, "Take Kemp's Balsam, the best cough cure. I always do when I hear a man cough, and I can't help it. It saved me, and it will cure you. I was threatened with pneumonia last winter, and it broke it up. It helps the children out when their throats are sore, cures their cough, and tastes so good. The first dose helps you." So writes A. E. Arnold, engineer on the West Shore Railroad, at Canajoharie, N. Y.

"AT DOT'S HOUSE."

The author, Miss Edith F. Foster, will also make the pictures.

There will be a great many other stories about other little children, and about dogs and kitties, and a great many nursery rhymes and large, beautiful pictures, and funny ones, too. January begins the new volume. Fifty Cents a Year, postpaid.

Henderson, who has seen the fruits she tells about growing in their own clime.

Besides, there will be short stories, little articles in history, natural history, botany, etc., and poems and jingles—all beautifully pictorial. January begins the new volume.

Stonewall Jackson's Death.

Historians always stop to describe the dying of Wolfe and Montcalm, the two opposing commanders in the battle of Quebec. But their deaths were simply heroic compared with death of Stonewall Jackson.

About 1:30 on the day of his death he was told that he had about two hours to live, and he answered feebly but firmly: "Very good; it's all right."

A few moments before he died he cried out in his delirium: "Order A. Hill to prepare for action. Pass the infantry to the front rapidly. Tell Major Hawks—" then stopped, leaving the sentence unfinished.

Presently a smile of ineffable sweetness spread itself over his pale face, and then he said quietly and with an expression of relief: "Let us cross over the river and rest under the shade of the trees." And then, without pain or the least struggle, his spirit passed.—*Philadelphia Times.*

A Matter of Importance to You!

If suffering from long-standing Chronic Diseases, Diseases of the Blood, Skin and Nervous System, as those suffering from

EYE, EAR NOSE AND THROAT TROUBLES,

J. J. McCLELLAN, M. D., Specialist on Chronic Diseases. MORITZ SALM, M. D., Specialist on Diseases of the Eye, Ear, Nose and Throat.

They will visit this country every four weeks, thus saving their patients the trouble and expense of visiting the city, as they are the only physicians and surgeons in this country who carry their own Manakins, Models, Diagrams, etc., to illustrate and make plain to all afflicted the cause and nature of their disease.

DR. MORITZ SALM, the great German oculist, will be here and perform all operations on the Eye, Ear, Nose and Throat without pain and in less time than any other living oculist. This will give his patients and others who are in need of medical treatment an opportunity to consult this distinguished physician, whose duties at the Institute will permit only monthly visits to your community.

Major J. M. Davidson, ex-President of the Lawrence County Wool Growers Association, and a citizen we know in the county, freely gives the following testimonial of the ability of Drs. McClellan & Salm. The Major says:

I was suffering greatly from Polypus and Inward Piles. I had tried local treatment and much medicine with no avail. I read the advertisement of Drs. McClellan & Salm and I consulted to give them a trial. At their last visit to-day they declared me cured and they discharged me. I feel now like a new man. They did everything they agreed and treated me courteously. They did me a world of good and relieved me of all suffering.

I have been suffering from insomnia (sleeplessness) and general nervous prostration dependent on the former disease for more than three years. For one week that I could be up my feet, or more than a year at a time, appetite was miserable. I went to the Mt. Sinai Hospital, in New York city, but without the least benefit. I put myself under the care of Drs. McClellan & Salm, who visit New Castle every four weeks, and I am now as well as ever. Safe and hearty; minus all defect of health. MAJOR S. GILMORE, Box 161, New Castle, Pa.

MADE THE LAME WALK WITHOUT CRUTCHES.

For eight months past I haven't been able to walk without a pair of crutches. During first month's treatment with Drs. McClellan & Salm I have been able to put one aside and at the next visit came to their office without any. I am certain that I'll be entirely cured soon. Although under treatment of home doctors, began to grow worse and worse. MRS. J. B. EGGERT, Wampum, Pa.

DEAFNESS AND CATARRH.

I have been under treatment of Drs. McClellan & Salm for two months for Catarrh and Deafness and consider myself greatly improved so far. MRS. J. COCHRAN, Rock Point, Lawrence Co., Pa.

YOUNG LADY'S EYE STRAIGHTENED.

On May 15th Drs. McClellan and Salm performed a cross-eye operation on my eyes without pain or loss of blood, and to-day my eyes are as straight as any one's, and I can see a great deal better. MARY FRYE, Rock Point, Lawrence Co., Pa.

CATARRH.

I have been suffering with Catarrh for some years. Tried several doctors, but no good resulted until I consulted Drs. McClellan & Salm, under whose treatment I have been the last four months and I have so greatly improved that I know I'll be cured when the course of treatment will be ended. C. G. MCKINLEY, Moravia, Pa.

EIGHT POLIPI REMOVED FROM THE NOSE.

Drs. McClellan & Salm have removed eight Polipi out of my nostrils to-day without almost any pain or loss of blood, and in by far less time and in a more satisfactory manner than I had done heretofore at Pittsburg. I can draw more breath with comfort and pleasure through my nose. W. E. KELLER, 117 Oak St., New Castle, Pa.

CATARRH AND DEAFNESS.

I have now been under treatment of Drs. McClellan and Salm for three months for a bad case of Catarrh, and was very hard of hearing, but now I am greatly improved in every way and can hear a great deal better, and I am getting stronger and heavier. SAMUEL KAMERER, Hooker, Butler Co., Pa., Sept. 4, 1890.

Diseases of Women, such as have baffled the skill of all physicians and remedies, quickly cured. Cancers, Tumors, fibroid and polypoid growths cured without the use of a knife or caustics. No cutting, no pain, no danger.

Small Tumors, Cancers, Warts, Moles, etc., removed without acids knife pain or scar. New method—Electrolysis. Epilepsy and Fits scientifically treated and positively cured by a never failing method. Address all communications to box 656, Columbus, Ohio.
