A Delightful Series of Tours to Washington via the P. R. R.

For several years past the Pennsylvania Railroad Company has run a series of excursions to Washington, D. C. at a season when the National Capital is in a whirl of pleasure and social activity, and these tours have met with marked success. This year the company has just announced a series of three, to leave Pittsburgh January 15th, February 5th, and March 5th.

Excursion tickets, good for ten days from date of sale, admitting of a stop-off in Baltimore in either direction within the proper limit will be sold from Pittsburg at $9, and at correspondingly low rates from other stations in Western Pa. The tickets will be good for use on any regular train of the dates above named, except limited express trains; and in addition to the regular service a special train of parlor cars and day coaches will leave Pittsburgh at 8 a. m. and run through to Washington, stopping at principal stations. The return coupons will be valid for passage on any regular train within the return limit, except the Pennsylvania Limited.

Washington is one of the most interesting cities in the Union. It is esteemed by many the most beautiful city in America, and the fact that it is the seat of government and the location of the handsomest public buildings in the land, makes it intensely interesting to every citizen.

Both branches of Congress will be in daily session, and, in fact, every branch of the public service may be seen in the actual work of conducting the government. The public buildings, embracing the Capitol, White House, Treasury, State, War, and Navy Departments, the great Smithsonian Institution, the National Museum, are open to the public every day, and offer a field for interest and study that cannot be excelled anywhere. The great Washington Monument, the highest memorial shaft in the world, is in itself worth a trip to see.

The rates are unusually low, and the limitation of the tickets ample for a most pleasurable trip.

Consumption Surely Cured.

I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, T. A. SLOCUM, M. C., 181 Pearl St., N. Y.

Allow me to add my tribute to the efficacy of Ely's Cream Balm. I was suffering from a severe attack of influenza and catarrh and was induced to try your remedy. The result was marvelous. I could hardly articulate, and in less than twenty-four hours the catarrhal symptoms and my hoarseness disappeared and I was able to sing a heavy role in Grand Opera with voice unimpaired. I strongly recommend it to all singers.—Wm. H. Hamilton, Leading Basso of the C. D Hess Grand Opera Co.

A Mustang Hunt.

The necessities of amustang hunt conducted on wholesale lines include a corral, a grub wagon and a team and three hunters. When all is ready the hunters arrange themselves in as many watches of eight hours each; one drives the wagon, the other sleeps in the wagon and the third "walks" the mustangs. "Walking" mustangs is simple. The theory of the hunt is to keep the wild ponies on the walk, night and day, without food or water, until they are exhausted. As far as may be they are walked in a circle, so as to be near the corral intended as the final goal of this go-as-you-please match against nature. The proces is this:

The hunters with their wagon driven in sight of the mustangs, and the first man on foot takes the trail. For eight hours he walks after them, keeping them constantly on the move, and as much as possible from feeding and from water.

In the beginning the foolish mustang kicks up his joyous heels and curvetts about, tossing his mane in contempt of this solitary, slow pursuit; but as the hours wear on, the dusty plodder, sticking like a bad habit, is not to be shaken off, and the fugitives become less gay. At the end of eight hours the wagon drives up and number two of the hunters begins his eight-hour walk. All the next day and night sees the program repeated, and the march continues until, without having closed their eyes or rested their legs since the hunt began, the starved and sleepy mustangs totter along almost like house dogs, and fairly dead on their feet. When reduced to this condition stripped of that gay, brisk nature which distinguished them at first, the hunters turn their drooping, drowsy heads to the corral and drive them in as unresisting sheep.—*Kansas City Star.*

A Matter of Importance to You!

If suffering from long-standing Chronic Diseases. Diseases of the Blood, Skin and Nervous System, as those suffering from

EYE, EAR NOSE AND THROAT TROUBLES,

J. J. McCLELLAN, M. D., Specialist on Chronic Diseases.

MORITZ SALM, M. D., Specialist on Diseases of the Eye, Ear, Nose and Throat.

They will visit this country every four weeks, thus saving their patients the trouble and expense of visiting the city, as they are the only physicians and surgeons in this country who carry their own Manakins, Models, Diagrams, etc., to illustrate and make plain to all afflicted the cause and nature of their diseases.

DR. MORITZ SALM, the great German oculist, will be here and perform all operations on the Eye, Ear, Nose and Throat without pain and in less time than any other living oculist. This will give his patients and others who are in need of medical treatment an opportunity to consult this distinguished physician, whose duties at the Institute will permit only monthly visits to your community.

Major J. M. Davidson, ex-President of the Lawrence County Wool Growers Association, and a citizen well known in the county, freely gives the following testimonial of the ability of Drs. McClellan & Salm. The Major says:

I was suffering greatly from Polypus and Inward Piles. I had tried local treatment and much medicine with no avail. I read the advertisement of Drs. McClellan & Salm and I concluded to give them a trial. At their last visit to the city they declared me cured, and they discharged me. I feel now like a new man. They did everything they agreed and treated me courteously. They did me a world of good and relieved me of all suffering.

I have been suffering from Insomnia (sleeplessness) and general nervous prostration dependent on the former disease for more than three years. I became so weak that I could not be on my feet for more than a hour at a time; appetite was fastidious. I went to that Mt. Sinai Hospital, in New York city, but without the least benefit. I put myself under the care of Drs. McClellan & Salm, who visit New Castle every four weeks, and I am now as well as ever. Hale and hearty; minus all defect of body and mind. Although under treatment of home doctors, began to grow worse and worse. MRS. J. B. EMERY, Wampum, Pa.

DEAFNESS AND CATARRH.

I have been under treatment of Drs. McClellan & Salm for two months for Catarrh and Deafness and consider myself greatly improved so far. MRS. J. COCHRAN, Rock Point, Lawrence Co., Pa.

YOUNG LADY'S EYE STRAIGHTENED.

On May 13th Drs. McClellan and Salm performed a cross-eye operation on my eyes without pain or loss of blood, and to-day my eyes are as straight as any one's, and I can see a great deal better. MARY EYE, Rock Point, Lawrence Co., Pa.

CATARRH.

I have been suffering with Catarrh for some years. Tried several doctors, but no good resulted until I consulted Drs. McClellan & Salm, under whose treatment I have been the last four months and I have so greatly improved that I know I'll be cured when the course of treatment will be ended. C. G. MCKINLEY, Moravia, Pa.

EIGHT POLIPI REMOVED FROM THE NOSE.

Drs. McClellan & Salm have removed eight Polypi out of my nostrils to-day without almost any pain or loss of blood, and in by far less time and in a more satisfactory manner than I had done heretofore at Pittsburg. I can draw more breath with comfort and pleasure through my nose. G. W. ECKLES, 117 Oak St., New Castle, Pa,

CATARRH AND DEAFNESS.

I have now been under treatment of Drs. McClellan and Salm for three months for a bad case of Catarrh, and was very hard of hearing, but now I am greatly improved in every way and can hear a great deal better, and I am getting stronger and heavier. SAMUEL KAMERER, Hooker, Butler Co., Pa., Sept. 4, 1890.

Diseases of Women, such as have baffled the skill of all physicians and remedies, quickly cured. Cancers, Tumors, fibroid and polypoid growths cured without the use of a knife or caustics. No cutting, no pain, no danger.

Small Tumors, Cancers, Warts, Moles, etc., removed without acids, knife, pain or scar. New method—Electrolysis. Epilepsy and Fits scientifically treated and positively cured by a never failing method. Address all communications to box 758, Columbus, Ohio.

Girls who use **SAPOLIO** are **QUICKLY MARRIED.**

SAPOLIO is one of the best known city luxuries and each time a cake is used an hour is saved. On floors, tables and painted work it acts like a charm. For scouring pots, pans and metals it has no equal. If your store-keeper does not keep it you should insist upon his doing so, as it always gives satisfaction and its immense sale all over the United States makes it an almost necessary article to any well supplied store. Everything shines after its use, and even the children delight in using it in their attempts to help around the house.

It is to Your Interest

TO BUY YOUR

DRUGS AND MEDICINES

OF

JOHN N. SNYDER,

SUCCESSOR TO

BIESECKER & SNYDER,

None but the purest and best kept in stock, and when Drugs become inert by standing, as certain of them do, we destroy them, rather than impose on our customers.

You can depend on having your

PRESCRIPTIONS & FAMILY RECEIPTS

filled with care. Our prices are as low as any other first-class house and on many articles much lower.

The people of this county seem to know this, and have given us a large share of their patronage, and we shall still continue to give them the very best goods for their money.

Do not forget that we make a specialty of

FITTING TRUSSES.

We guarantee satisfaction, and, if you have had trouble in this direction, give us a call.

SPECTACLES AND EYE-GLASSES

in great variety; A full set of Test Lenses. Come in and have your eyes examined. No charge for examination, and we are confident we can suit you. Come and see us.

Respectfully,

JOHN N. SNYDER.

—THE—

WHITE

IS KING OF

SEWING MACHINES.

It was Crowned so when it took the First Premium at the Cincinnati Centennial in 1888, at the Great Contest, but more so when it took the

GOLD MEDAL

At the Universal Exhibition at Paris, France, in 1889, for being the

Best Family Sewing Machine

In the world. It is applauded as such by the

800,000

Sold since its introduction in 1877

Its superiority is acknowledged, though with many regrets, by thousands who had bought other new

SEWING MACHINES

Before they had seen the merits of the

WHITE

Ladies will find it greatly to their advantage to examine the merits of "THE WHITE" before buying a Sewing Machine.

"THE BEST IS ALWAYS CHEAPEST"

in the end. An inferior Sewing Machine is a poor investment at any price.
